

282 Holman Avenue

Situated on a rare oversized intown lot with frontage on both Holman Avenue and Best Drive, this updated midcentury brick ranch offers unique potential. The front door opens to sidewalk-lined Holman, while the rear access from Best Drive makes an ideal spot for a future garage with guest suite, pool house, or extra parking. The large, level yard is perfect for entertaining, gardening, or even a pool. In highly desirable Normaltown, you'll be within walking distance of UGA's new Medical College, Piedmont and St. Mary's hospitals, Bishop Park's farmers market, and favorite spots like Automatic Pizza, Sips Coffee, and local shops and restaurants.
