

1345 Fishing Lake Drive

Landscaping & Outdoor Features

The grounds of 1345 Fishing Lake Drive are thoughtfully designed with lush, mature landscaping that enhances both curb appeal and backyard enjoyment. Buyers will appreciate a variety of vibrant tropical and flowering plants, fragrant bushes, and well-placed hedges that provide privacy, color, and texture throughout the property. Around the pool area and across the yard, the landscaping creates a private oasis that blends beauty with Florida living.
