

**PROPERTY TRANSFER NOTIFICATION CERTIFICATION**

*For homes built before 1978, this form is signed by Seller and Prospective Purchaser and is presented as part of the Massachusetts Childhood Lead Poisoning Prevention Program packet.*

This form is to be signed by the prospective purchaser before signing a purchase and sale agreement or a memorandum of agreement, or by the lessee-prospective purchaser before signing a lease with an option to purchase for residential property built before 1978, for compliance with federal and Massachusetts lead-based paint disclosure requirements.

**Required Federal Lead Warning Statement:**

Every purchaser of any interest in residential property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. **A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase.**

**Seller's Disclosure:****(a) Presence of lead-based paint and/or lead-based paint hazards (check (i) or (ii) below):**

(i) ☐ **Known** lead-based paint and/or lead-based paint hazards are present in the housing (explain).

(ii) ☒ **Seller has no knowledge** of lead-based paint and/or lead-based paint hazards in the housing.
