Chuck Dupree

A 2024 Builder of the Year, Chuck Dupree brings nearly four decades of experience and a third-generation legacy of craftsmanship to every home he builds. Since establishing Dupree Construction in 1986, Chuck has earned a reputation for high-quality design, efficient timelines, and a building process that feels organized, personal, and stress-free. His long-standing team works closely with each client from initial planning through completion, ensuring clear communication, smart solutions, and exceptional attention to detail. The result is a custom home built with integrity, innovation, and pride—designed to stand the test of time.
