Sophisticated mid-century ranch set on nearly 1/2 acre in the desirable Montrose section of South Orange just blocks from vibrant village shops, restaurants and NYC trains. Extensively remodeled with a modern aesthetic, the flowing floorplan offers bespoke finishes and abundant natural light. A chef's kitchen with views of the expansive yard, features a designer Miele cooktop, steam-assist wall oven & warming drawer by KitchenAid, Caesarstone quartz counters and marble tile backsplash. The 1st floor features new & refinished white oak hardwood floors, double glazed windows and updated lighting, door hardware and switches throughout. The primary bedroom offers ample closet storage and an en-suite bath with spacious shower with glass doors. The ground level was refinished in 2019 with a new bathroom with shower, new laundry room with LG steam washer/dryer and versatile recreation spaces to enjoy as you wish with family room, exercise and guest room/office space. Outside the paver and concrete patio overlooks a spacious, private yard. The exterior has been refreshed with new exterior lighting, concrete stoop (rear), a new driveway with Belgian block curbing (2017) and freshly painted trims. New high-efficiency HVAC (2018), Ecobee thermostat, newer garage door openers, and newer shelving/rods in all closets are a few additional updates you will note. Set amongst elegant period homes on a quiet street, you will enjoy the best of South Orange in this stunning, move in ready home.
