1.7 "Community-Wide Standard" means the standard of conduct, maintenance or other activity generally prevailing in the Community. Such standard may be more specifically determined by the Board of Directors of the Association and may be articulated in the Architectural Guidelines established pursuant to Article 6 hereof, but must be consistent with the Community-Wide Standard originally established by the Declarant.

1.8 "Declarant" means SDC GWINNETT, LLC, a Georgia limited liability company, and its successors, successors-in-title or assigns taking title to any portion of the property described in Exhibit "A" or Exhibit "B" hereof for the purpose of development and/or sale and designated as Declarant in a recorded instrument by the then holder of the rights of Declarant hereunder. Article 2

Property Subject To This Declaration

2.1 Property Hereby Subjected to This Declaration. The real property which is, by the recording of this Declaration, subject to the covenants, conditions, restrictions and easements hereinafter set forth and which, by virtue of the recording of this Declaration, shall be held,

transferred, sold, conveyed, used, occupied and encumbered subject to this Declaration is the real property described in Exhibit "A" attached hereto and by this reference made a part hereof.

2.2 Unilateral Annexation by Declarant. As the owner thereof or, if not the owner, with the consent of the owner thereof, Declarant shall have the unilateral right, privilege, and option from time to time to subject all or any portion of the real property described in Exhibit "B" attached hereto and by this reference incorporated herein, to the provisions of this Declaration and the jurisdiction of the Association by filing for record in the Oconee County, Georgia land records a Supplementary Declaration executed by Declarant describing the property being subjected. Any annexation shall be effective upon the filing for record of such Supplementary Declaration in the Oconee County, Georgia land records, unless a later effective date is provided therein. Inclusion of property on Declarant's land plan or in Exhibit "B" shall not obligate the Declarant to subject such property to the Declaration, nor shall exclusion of property from the initial land plan bar Declarant from subjecting such property to the Declaration. As long as covenants applicable to the real property previously subjected to this Declaration are not changed and as long as the rights of existing Owners are not adversely affected, the Declarant may unilaterally amend this Declaration to reflect the different character of any such annexed real property. If any land is not subjected to this Declaration, Declarant's reserved rights shall not impose any obligation on Declarant to impose any covenants and restrictions similar to those contained herein upon such additional land nor shall such rights in any manner limit or restrict the use to which such additional land may be put by Declarant or any subsequent owner thereof, regardless of whether such uses are consistent with the covenants and restrictions imposed herein.

2.3 Annexation by the Association. Upon the written consent of: (a) the owner(s) thereof; (b) the Declarant; and (c) the Owners of at least two-thirds (2/3) of the Lots, the Association may annex real property to the provisions of this Declaration and the jurisdiction of the Association by filing for record in the Oconee County, Georgia land records a Supplementary Declaration describing the property being annexed. Any such Supplementary Declaration shall be executed on behalf of the Association by the President of the Association whose signature shall be attested by the Secretary of the Association. The annexation shall be effective only upon the filing for record of such Supplementary Declaration in the Oconee County, Georgia land records, unless a later effective date is provided therein.

2.4 Withdrawal of Property. Declarant may amend the Declaration to remove any portion of the Community then owned by Declarant or the Association, as the case may be, from the coverage of this Declaration and the jurisdiction of the Association, to the extent originally included in error or as a result of any changes whatsoever in the plans for the Community, provided such withdrawal is not unequivocally contrary to the overall, uniform scheme of development for the Community. Any withdrawal shall be accomplished by the filing for record of an amendment to this Declaration which: (a) describes the property to be removed; and (b) is executed by the Declarant and the Owner(s) of the property being removed, if not the Declarant. The amendment shall be effective upon the filing for record in the Oconee County, Georgia land records, unless a later effective date is provided therein. Notwithstanding anything to the contrary herein, the withdrawal of property pursuant to this Section 2.4 hereof shall only require

the consent of the Declarant and the Owner of the property being removed and shall not require the vote or consent of any other Person.

Article 3

Association Membership and Voting Rights

3.1 Membership. Every Person who is the record owner of a fee or undivided fee interest in any Lot that is subject to this Declaration shall have a membership in the Association. The foregoing is not intended to include Mortgagees, and the giving of a security interest shall not terminate an Owner's membership. No Owner, whether one (1) or more Persons, shall have more than one (1) membership per Lot. Membership shall be appurtenant to and may not be separated from ownership of a Lot. The rights and privileges of membership, including the right to hold office, may be exercised by a member or the designee of a member, but in no event shall more than one (1) office be held for each Lot owned. This Section is not intended to prohibit the same individual from being both an officer and a director of the Association. Nothing in this Section shall restrict the number of votes cast or the number of officers and directors appointed by the Declarant.

3.2 Voting. Members shall be entitled to cast one (1) vote for each Lot owned. When more than one (1) Person holds an ownership interest in a Lot, the vote for such Lot shall be exercised as those Owners themselves determine and advise the Secretary prior to any meeting or referendum. The vote attributable to a Lot shall be suspended in the event more than one (1) Person seeks to exercise it. The Board of Directors may suspend the voting rights of an Owner for any period during which any past due assessment against any Lot of the Owner remains unpaid; and, for a reasonable period of time for an infraction of the Declaration, Bylaws, rules and regulations of the Association or the Architectural Guidelines established pursuant to Article 6 hereof.

Article 4

Assessments

4.1 Purpose of Assessments. The assessments provided for herein shall be used for the general purposes of promoting the recreation, health, safety, welfare, common benefit, and enjoyment of the Owners of Lots, including, without limitation, the maintenance of real and personal property, all as may be more specifically authorized from time to time by the Board of Directors.

4.2 Creation of the Lien and Personal Obligation for Assessments. Each Owner of a Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association: (a) general assessments; (b) special assessments; and (c) specific assessments. All assessments, together with late charges (in an amount equal to the greater of Ten and No/100 Dollars (\$10.00) or ten percent (10%) of the amount of the assessment or installment not paid when due), interest (at the rate of ten percent (10%) per annum on the principal amount due) and costs of collection, including, without limitation, reasonable attorneys' fees actually incurred, shall, from the time the sums become due and

payable, be a charge on the land and a continuing lien in favor of the Association on the Lot against which each assessment is made.

The recording of this Declaration shall constitute record notice of the existence of the lien and no further recordation of any claim of lien shall be required. Each assessment, together with late charges, interest and costs of collection, including, without limitation, reasonable attorneys' fees actually incurred, shall also be the personal obligation of the Person who was the Owner of the Lot at the time the assessment fell due. Each Owner shall be personally liable for the portion of each assessment coming due while the Owner of a Lot, and each grantee of an Owner shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance; provided, however, the liability of a grantee for the unpaid assessments of the grantor shall not apply to any first Mortgagee taking title through foreclosure proceedings.

No Owner may waive or otherwise be exempt from liability for the assessments provided for herein for any reason, including, by way of illustration and not limitation, the following: (a) abandonment of the Lot; (b) nonuse of the Common Property; (c) the Association's failure to perform its obligations required under the Declaration; or (d) inconvenience or discomfort arising out of the Association's performance of its duties. No diminution or abatement of any assessment shall be claimed or allowed by reason of any failure of the Association to take some action or perform some function required to be taken or performed by the Association, the obligation to pay assessments being a separate and independent covenant on the part of each Owner. All payments shall be applied first to costs, then to late charges, then to interest and then to delinquent assessments. As provided in O.C.G.A. Section 44-5-60(e), the obligation for the payment of assessments and fees arising hereunder shall also include costs of collection, including, without limitation, reasonable attorneys' fees actually incurred, and the award of attorneys' fees shall not be construed in accordance with the provisions of O.C.G.A. Section 13-1-11(a)(2).

4.3 Budget. It shall be the duty of the Board to prepare a budget covering the estimated costs of operating the Association during the coming year. The Board shall cause the budget and the general assessment to be levied against each Lot for the year to be delivered to each member at least thirty (30) days prior to the due date of such general assessment. The budget and the general assessment shall become effective unless disapproved at a meeting by a majority of the Total Association Vote and the Declarant. Notwithstanding the foregoing, however, in the event the membership and Declarant disapprove the proposed budget or the Board fails for any reason to determine the budget for any period, then and until such time as a budget has been determined, as provided herein, the budget in effect shall continue.

4.4 General Assessments. General assessments shall be levied equally on all Lots and shall be paid in such manner and on such dates as may be fixed by the Board of Directors, which may include, without limitation, acceleration, upon ten (10) days' written notice for delinquents. Unless otherwise provided by the Board, the general assessment shall be paid in one annual installment. General assessments include any sums the Board determines necessary for the continued ownership, operation and maintenance of the Common Property, improvements to the Common Property, operating expenses of the Association, payment for any items of betterment and the establishment of reserve funds as the Board shall deem proper. General assessments may

include, without limitation, the following: (a) sums for property taxes for the Common Property; (b) insurance premiums; (c) legal and accounting fees; (d) management fees; (e) charges for utilities and other services provided by the Association, if any; (f) costs of landscaping the Common Property; (g) costs incurred to maintain the Community entry features located within the Entry Feature Easement Areas, including, without limitation, entrance monuments, fencing and landscaping and any irrigation and/or electricity expenses provided to such entry features; (h) costs incurred to maintain the storm water detention/retention ponds and storm water drainage facilities serving the Community; (i) costs to maintain the Mailbox Kiosk Easement Area and the mailbox kiosk located thereon; (j) costs to maintain the sidewalks, street medians, and street lights located within the public right-of-ways, to the extent not maintained by a government entity or third party; (k) costs to maintain landscaping located within those portions of the Community identified as "Landscape Buffer", "25' Landscape Buffer" and "10' Landscape Buffer" on the final recorded subdivision plat(s) for the Community; and (l) expenses and liabilities incurred as provided herein and in the Articles of Incorporation and Bylaws for the indemnification of officers and directors and in connection with the enforcement of rights and duties of the Association against Owners and others.

4.5 Special Assessments. The Association, acting through the Board of Directors, may levy a special assessment against all Owners in the Community for any unbudgeted or unanticipated expenses or expenses in excess of those budgeted. So long as the total amount of special assessments allocated to each Lot in a fiscal year does not exceed the amount of the annual general assessment in such fiscal year, the Board may impose the special assessment without a vote of the Owners. Except for special assessments levied pursuant to Section 8.3 hereof, any special assessment which would cause the total amount of the special assessments allocated to any one Lot in a fiscal year to exceed the amount of the annual general assessment in such fiscal year must be approved by two-thirds (2/3) of the Total Association Vote and the Declarant in order to be effective. Special assessments shall be paid as determined by the Board. The Board may permit a special assessment to be paid in installments extending beyond the fiscal year in which the special assessment is imposed.

4.6 Specific Assessments. The Board shall have the power to levy specific assessments as, in its discretion, it shall deem appropriate. The failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Board has not previously exercised its authority under this Section. By way of explanation and not limitation, the following shall constitute specific assessments: (a) fines levied pursuant to this Declaration; (b) the working capital contribution as provided in Section 4.13 hereof; and (c) the cost of maintenance performed by the Association for which an Owner is responsible.

In addition to the foregoing, the Board of Directors may also specifically assess Owners for Association expenses as follows: (a) expenses of the Association which benefit less than all of the Lots may be specifically assessed equitably among all of the Lots which are benefited according to the benefit received; (b) expenses of the Association which benefit all Lots, but which do not provide an equal benefit to all Lots, may be specifically assessed equitably among all Lots according to the benefit received; and (c) expenses incurred by the Association which

are attributable to or are incurred as the result of the conduct of a particular Owner or the Occupants, guests, tenants, invitees or licensees of such Owner may be specifically assessed against the Lot of said Owner.

4.7 Subordination of Liens to Mortgages. Notwithstanding anything to the contrary in this Declaration or any other document related thereto or executed in connection therewith, the lien of all assessments authorized herein is hereby made subordinate to the lien of any first Mortgage placed on a Lot, if, but only if, all assessments and charges with respect to such Lot authorized herein having a due date on or prior to the date of the Mortgage as filed of record have been paid. The lien hereby subordinated is only such lien as relates to assessments and charges authorized hereunder having a due date subsequent to the date such Mortgage is filed of record and prior to the foreclosure of such Mortgage. Such subordination is merely a subordination and shall not relieve an Owner of the personal obligation to pay all assessments coming due during such period of ownership; shall not relieve such Lot from the lien provided for herein (except to the extent a subordinated lien is extinguished as a result of such subordination as against a Mortgagee or such Mortgagee's transferee by foreclosure); and no sale or transfer of such Lot to the Mortgagee or to any other Person pursuant to a foreclosure, or pursuant to any other proceeding in lieu of foreclosure, shall relieve any existing or previous Owner of such Lot of any personal obligation or relieve such Lot or any Owner of such Lot from liability for any assessment authorized hereunder that becomes due after such sale and transfer.

4.8 Remedies of the Association. Any assessments or installments thereof which are not paid when due shall be delinquent. In addition to the lien rights, the personal obligation of the then Owner to pay such assessments shall remain such Owner's personal obligation and shall also pass to such Owner's successors-in-title. Such Owner shall nevertheless remain as fully obligated as before to pay to the Association any and all amounts which such Owner was obligated to pay immediately preceding the transfer or conveyance; and such Owner and such successors-in-title shall be jointly and severally liable with respect thereto, notwithstanding any agreement between such Owner and such successors-in-title creating any indemnification of the Owner or any relationship of principal and surety as between themselves. Any assessment or installment thereof delinquent for a period of more than ten (10) days shall incur a late charge (in an amount equal to the greater of Ten and No/100 Dollars (\$10.00) or ten percent (10%) of the amount of the assessment or installment not paid when due) and interest (at the rate of ten percent (10%) per annum on the principal amount due). As provided in O.C.G.A. Section 44-5-60(e), the obligation for the payment of assessments and fees arising hereunder shall also include costs of collection, including, without limitation, reasonable attorneys' fees actually incurred, and the award of attorneys' fees shall not be construed in accordance with the provisions of O.C.G.A. Section 13-1-11(a)(2). The Association may cause a notice of delinquency to be given to any Owner who has not paid within ten (10) days following the due date. In the event that the assessment remains unpaid after sixty (60) days, the Association may institute suit to collect such amounts and/or to foreclose its lien. The Association may file a claim of lien with the Office of the Clerk of Superior Court of Oconee County, Georgia, but no such claim of lien shall be required to establish or perfect the lien for unpaid assessments.

Each Owner, by acceptance of a deed, vests in the Association the right and power to bring all actions against such Owner personally, for the collection of such charges as a debt or to

foreclose the lien. The lien provided for in this Declaration shall be in favor of the Association and shall be for the benefit of all Owners. The Association shall have the power to bid on the Lot at any foreclosure sale and to acquire, hold, lease, mortgage and convey the same. The Association may also suspend the membership rights of the delinquent Owner, including the right to vote, the right of use and enjoyment in and to the Common Property and the right to receive and enjoy such services and other benefits as may then be provided by the Association, if any. Any suspension shall not affect an Owner's obligation to pay assessments coming due during the period of such suspension and shall not affect the permanent lien on such Lot in favor of the Association.

4.9 Date of Commencement of Assessments. Assessments shall commence when the Board of Directors first determines a budget and levies assessments. The assessments provided for herein shall commence as to a Lot on the date that such Lot has been improved with a dwelling for which a certificate of occupancy has been issued and has been conveyed to an Owner who intends to occupy the dwelling, or, if the dwelling is occupied as a residence before such conveyance, the date of such occupancy. Any Lot which has been approved by Declarant for use as a model home for marketing and sales purposes shall not be deemed to be occupied for residential purposes and shall not be subject to assessments under this Declaration whether owned by Declarant or any other Person, so long as such Lot is approved for use as a model home and is not occupied for residential purposes.

4.10 Budget Deficits During Declarant Control. For so long as the Declarant has the authority to appoint and remove the directors and officers of the Association, the Declarant may, but shall have no obligation to: (a) advance funds or contributions of services or materials or a combination of services and materials, rather than in money (herein collectively called "in kind contribution"), or a combination of these, to the Association sufficient to satisfy the deficit, if any, between the actual operating expenses of the Association (but specifically not including an allocation for capital reserves), and the sum of the general, special and specific assessments collected by the Association in any fiscal year (such advances shall be evidenced by promissory notes from the Association in favor of the Declarant); or (b) cause the Association to borrow such amount from a commercial lending institution at the then prevailing rates for similar loans in the local area of the Community; provided, however, no Mortgage secured by the Common Property or any of the structures or improvements maintained by the Association shall be given in connection with such loan, unless such loan has been approved by the membership as provided in Section 9.2(a) hereof.

4.11 Failure to Assess. The omission or failure of the Board to fix the assessment amounts or rates or to deliver or mail to each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay assessments on the same basis as the last year for which an assessment was made, if any, until a new assessment is made, at which time any shortfalls in collections may be assessed retroactively by the Association.

4.12 Estoppel Letter. Any Owner, Mortgagee, or a Person having executed a contract for the purchase of a Lot, or a lender considering a loan to be secured by a Lot, shall be entitled, upon written request, to a statement from the Association or its managing agent setting forth the

amount of assessments past due and unpaid, including any late charges, interest, fines, or other charges against that Lot. Such request shall be delivered to the registered office of the Association, and shall state an address to which the statement is to be directed. The Association shall, within five (5) business days after receiving a written request therefor, certify to the amount of any unpaid assessments constituting a lien on a specified Lot. A certification letter signed by an officer of the Association or the Association's managing agent, if any, as to the amount of assessments due with respect to a Lot shall be binding upon the Association. The Association may charge a reasonable fee as may be permitted by law as a prerequisite to the issuance of such statement. It is the intent of this provision to comply with O.C.G.A. Section 44-14-15(c), as amended.

4.13 Working Capital Contribution. Upon each and every transfer or conveyance of title to a Lot after it has been improved with a dwelling for which a certificate of occupancy has been issued, a working capital contribution in an amount determined by the Board of Directors from time to time, shall be collected from the new Owner at the closing of such transaction and disbursed to the Association; or if not collected at closing, shall be paid immediately upon demand to the Association. The working capital contribution shall constitute a specific assessment against the Lot, shall be in addition to, not in lieu of, the general assessment and shall not be considered an advance payment of such assessment. The working capital contribution may be used by the Association for any purpose which provides a direct benefit to the Community, including, without limitation, for the payment of operating expenses of the Association and other expenses incurred by the Association pursuant to the provisions of the Declaration. Notwithstanding anything to the contrary herein, the working capital contribution shall not apply to the holder of any first Mortgage on a Lot who becomes the Owner of a Lot through foreclosure or any other means pursuant to the satisfaction of the indebtedness secured by such Mortgage, but shall apply to the Owner acquiring title to the Lot from the foreclosing Mortgagee.

Article 5

Maintenance; Common Property

5.1 Association's Maintenance Responsibility. The Association shall maintain and keep in good repair the Common Property, which shall include, without limitation, the maintenance, repair and replacement of all landscaping, structures and improvements located thereon. The Association shall also maintain (whether or not constituting Common Property) the following: (a) all Community entry features located within the Entry Feature Easement Areas, including, without limitation, any entrance monuments, landscaping and fencing associated therewith and any irrigation system and/or lighting system, if any, which provides water and/or electricity to said entry features and related landscaping; (b) all Community green space and open space; (c) all storm water drainage facilities and storm water detention/retention pond(s) serving the Community and any retaining wall, gate, fence or other enclosure surrounding the storm water detention/retention ponds, regardless of whether the same are located on Lots or Common Property; provided, however, each Owner of a Lot, and not the Association, shall be responsible for maintaining all storm water drainage facilities located on and exclusively serving said Lot; (d) exterior lighting serving the Community; provided, however, each owner of a Lot shall be responsible for the maintenance, repair, and replacement of any exterior lighting exclusively serving such Lot or attached to the residential dwelling on the Lot; (e) any sidewalk, street

medians and street lights located in the public right of ways of the Community, to the extent not maintained by a third party or a government entity; (f) the Mailbox Kiosk Easement Area and the mailboxes located thereon, if any; (g) perimeter fencing (h) any retaining walls installed by the Declarant in the Community, which serve (i) the Common Property, (ii) the Common Property and one (1) or more Lots in the Community, or (iii) more than one (1) Lot in the Community; and (i) landscaping located within those portions of the Community identified as "Landscape Buffer", "25' Landscape Buffer" and "10' Landscape Buffer" on the final recorded subdivision plat(s) for the Community. All maintenance by the Association shall be performed consistent with the Community-Wide Standard. The Board of Directors may authorize the officers of the Association to enter into contracts with any Person or Persons to perform maintenance hereunder on behalf of the Association. In the event that the Association determines that the need for maintenance, repair, or replacement, which is the responsibility of the Association hereunder, is caused through the willful or negligent act of an Owner, or the Occupants, family, guests, lessees or invitees of an Owner, then the Association may perform such maintenance, repair or replacement and all costs thereof, not paid for by insurance, shall be assessed against the Lot of such Owner as a specific assessment.

The Association shall have the right, but not the obligation, to maintain property it does not own, regardless of whether such property is located within or outside of the Community, where the Board has determined such action would benefit the Owners. In addition to the foregoing, the Board shall have the right, without a vote of the members, but with the consent of the Declarant, to enter into easement and covenant to share cost agreements where the Board has determined that such action would benefit the Owners.

5.2 Owner's Maintenance Responsibility:

(a) General. Except for maintenance performed on or to a Lot by the Association pursuant to Section 5.1 hereof, if any, all maintenance of and repair and replacement to the Lot and all structures, landscaping, and other improvements located thereon shall be the sole responsibility of the Owner thereof, who shall maintain such Lot in a manner consistent with the Community-Wide Standard and this Declaration. Such maintenance obligation shall include, without limitation, the following: (i) prompt removal of all litter, trash, refuse, and waste; (ii) lawn mowing on a regular basis; (iii) tree and shrub pruning; (iv) watering landscaped areas; (v) maintaining berms; (vi) keeping improvements and exterior lighting in good repair and working order; (vii) keeping lawn and garden areas alive, free of weeds, and attractive; (viii) keeping driveways and walkways in good repair; (ix) complying with all governmental health and police requirements; (x) maintaining grading and storm water drainage as originally established on the Lot; (xi) repairing exterior damage to improvements; (xii) all maintenance, repair and replacement to the residential dwelling located on the Lot, including, without limitation, periodic painting and pressure washing as needed; (xiii) maintaining, repairing and replacing all storm water drainage facilities, including all pipes, wires and conduits related thereto, which exclusively serve the Lot; and (xiv) maintaining, repairing and replacing all pipes, lines, wires and conduits, including, without limitation, plumbing, electric and sanitary sewer systems, which exclusively serve the Lot.

(b) Failure to Maintain. In the event that the Board of Directors determines that any Owner has failed or refused to discharge properly any of such Owner's obligations with regard to the maintenance, repair or replacement of items for which such Owner is responsible hereunder, the Association shall, except in an emergency situation, give the Owner written notice of the Association's intent to provide such maintenance, repair or replacement at the Owner's sole cost and expense. The notice shall set forth with reasonable particularity the maintenance, repair or replacement to be performed. The Owner shall have ten (10) days after receipt of such notice within which to complete such maintenance, repair or replacement, or, in the event that such maintenance, repair or replacement is not capable of completion within a ten (10) day period, to commence such work which shall be completed within a reasonable period of time. If an Owner does not comply with the provisions hereof, the Association may provide such maintenance, repair or replacement to the Lot and all costs associated therewith shall be assessed against the Owner and the Lot of such Owner as a specific assessment. This provision shall not apply to any Lot(s) owned by the Declarant, unless improved with a dwelling and occupied as a residence.

5.3 Conveyance of Common Property by Declarant to Association; No Implied Rights. Declarant or the Owner of the property if not the Declarant, with consent of Declarant may transfer or convey to the Association at any time and from time to time any personal property and any interest in improved or unimproved real property. Such conveyance shall be deemed to be accepted by the Association upon delivery of any personal property or upon recordation of an instrument of conveyance of any interest in real property, and the property shall thereafter be Common Property to be used and, if and as provided in Section 5.1 hereof, maintained by the Association for the benefit of its members. Until the rights of Declarant terminate as provided in Section 10.5, Declarant may, upon written notice to the Association, require the Association to reconvey to Declarant all or any portion of the Common Property, improved or unimproved, at no charge to Declarant, without a vote of the members of the Association, if all or any portion of the Common Property is: (a) found by Declarant to have been conveyed in error; (b) needed by Declarant to make adjustments in property boundary lines; or (c) needed by Declarant due to changes in the overall scheme of development for the Community.

The Association hereby constitutes and appoints Declarant as its agent and attorney-in-fact to accept on behalf of the Association any such conveyance to the Association, to reconvey any such property on behalf of the Association and to execute on behalf of the Association any and all documents, including, without limitation, deeds, necessary or convenient to effectuate and document any such conveyance to or reconveyance from the Association. The power and agency hereby granted are coupled with an interest and are irrevocable by death or otherwise. Declarant or such owner of the property with the approval of Declarant, shall not be required to make any improvements whatsoever to property to be conveyed and accepted pursuant to this Section and shall have no duty or obligation to convey any property or property rights to the Association regardless of whether such property has been made available for the use of Owners. Declarant or the owner of the property with the approval of Declarant, may reserve, by lease, license, easement or otherwise, such rights of use and enjoyment in and to all or any portion of the property so conveyed as Declarant may reasonably require so long as such reservation is not materially inconsistent with the overall scheme of development for the Community. Neither the recordation of any subdivision plat nor the use by the Owners or maintenance by the Association

of any property shall create any rights, easements or licenses, in the Association or the Owners, express or implied, unless and until any such property rights, easements or licenses are conveyed by the Declarant or the owner of such property to the Association or the Owners, as the case may be, by an instrument recorded in the real estate records of Oconee County, Georgia.

5.4 Partition of Common Property. The Common Property shall remain undivided and no Owner shall bring any action for partition or division of the whole or any part thereof without the written consent of: (a) all Owners of all portions of the property located within the Community; and (b) all holders of all Mortgages encumbering any portion of the property, including, but not limited to, the Lots located within the Community.

5.5 Condemnation. In the event of a taking by eminent domain of all or any portion of the Common Property on which improvements have been constructed, the Association shall, if reasonably possible, restore or replace such improvements on the remaining Common Property, unless within sixty (60) days after such taking, an alternative plan is approved by at least seventy-five percent (75%) of the Total Association Vote and the Declarant. The provisions of this Declaration applicable to the replacement or restoration of damaged improvements on the Common Property shall also apply to and govern the actions to be taken in the event that the improvements are not restored or replaced after a condemnation.

5.6 Limitation of Liability. Owners, Occupants and their guests shall use the common areas maintained by the Association and all other Common Property and all portions of the Community not contained within a Lot at their own risk and shall assume sole responsibility for their personal belongings used or stored thereon. All Owners and Occupants shall have an affirmative duty and responsibility to inspect the Common Property and all portions of the Community not contained within a Lot for any defects, perils or other unsafe conditions relating to the use and enjoyment thereof. The Association, the Declarant and their respective officers, directors, employees, representatives and agents shall not be held liable for: (a) personal injury to any person occurring on the Common Property; (b) loss or damage to personal belongings used or stored on the Common Property or on any other portion of the Community; or (c) loss or damage, by theft or otherwise, of any other property of such Owner or Occupant.

In addition to the foregoing, the Association, Declarant and their respective representatives, agents, officers, directors and employees shall not be liable for injury or damage to any Person or property: (a) caused by the elements or by an Owner or any other Person; (b) resulting from any rain or other surface water which may leak or flow from any street, pipe, plumbing, pond, drain, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association or from any portion of the Common Property; or (c) caused by any street, pipe, plumbing, drain, pond, lake, dam, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association, becoming out of repair.

5.7 Retaining Walls.

(a) General. As provided in Section 5.1 hereof, the Association shall be responsible for the maintenance, repair and replacement of any retaining wall(s) installed by Declarant or

Approved Builder in the Community, as the same may be identified on the recorded subdivision plat(s), which help stabilize certain slopes within the Community and which serve (i) the Common Property, (ii) the Common Property and one (1) or more Lots in the Community, or (iii) more than one (1) Lot in the Community. In addition to the foregoing, the Association shall be responsible for inspecting the retaining wall(s) on a schedule determined by the Board in its sole discretion. The costs associated with such inspection, maintenance, repair, replacement or improvement may, but shall not be required to, be assessed against the Lots served by such retaining wall(s) as a specific assessment in accordance with Section 4.6 hereof. Further, in the event that any maintenance, repair or replacement to all or any portion of a retaining wall is caused through the willful or negligent act of an Owner, or the Occupants, family, guests, lessees or invitees of an Owner, then the Association may perform such maintenance, repair or replacement and all costs thereof, not paid for by insurance, shall be assessed against the Lot of such Owner as a specific assessment.

(b) Easements Reserved. Declarant hereby grants to the Association an easement over, under, through and across any Lot upon which any portion of a retaining wall is located as may be reasonably necessary to inspect, maintain, repair, replace and improve the retaining wall as provided herein.

(c) Use Restrictions. Owners of Lots may not make any changes to any portion of the Lot which is located in and around the retaining walls, including, without limitation, changes to the drainage, may not plant trees or other plants within ten (10) feet of the top of any retaining wall or take any other action or do any other thing that may adversely affect or undermine the retaining walls without prior written approval under Article 6 hereof. Any modification or alteration to the Lot which damages any portion of the retaining wall shall be the responsibility of the Owner of the Lot at such Owner's own cost and expense. Notwithstanding the foregoing, any exterior modification or alteration to a Lot shall be subject to prior written approval under Article 6 hereof.

5.8 Garbage Pick-Up and Recycling: The Association shall have the right, but not the obligation, to designate and contract with a private trash removal company on behalf of all Owners and Occupants in the Community to pick up all usual and customary household trash and recycling on a regular basis. In the event the Association enters into a contract with a private trash removal company as provided above, all charges for usual and customary trash collection and recycling shall be assessed to each Lot equally as part of the general assessment in accordance with Section 4.4 hereof. While the removal of normal household trash and recycling will be covered by such contract, additional charges may be incurred for the removal of used appliances, other large items or any other extraordinary pick-up needs and such additional charges incurred by the Association may be specifically assessed against the applicable Lot pursuant to Section 4.6 hereof. If a Lot Owner, for any reason, refuses trash collection and recycling service provided by the Association, such Owner shall nevertheless still be obligated to pay the full amount of the general assessment. Trash and recycling receptacles shall be placed at the curb no earlier than 5:00 p.m. the day before pick-up and shall be removed within twenty-four (24) hours. All Community trash removal and recycling shall be subject to such further rules and regulations as the Board may adopt, including without limitation, the designation of a particular trash pick-up day throughout all or a portion of the Community.

5.9 Common Driveways. Common driveways and access ways serving more than one (1) Lot shall be maintained as follows:

(a) If the repair and/or maintenance is needed at the entrance area of the common driveways or access way leading to all of the Lots served by such common driveway or access way, Owners of all such Lots served by said common driveway or access way shall be responsible for the repair and/or maintenance of the common driveway or access way and the cost thereof shall be divided equally among the Owners so served.

(b) If the repair and/or maintenance is needed at a point in the common driveway or access way that only leads to or serves certain Lots, the maintenance and/or repair shall be the responsibility of the Owners of the Lots so served, with the cost thereof being divided equally between said Owners.

Notwithstanding anything herein to the contrary, in the event that the need for maintenance or repair is caused through the willful or negligent act of an Owner or an Owner's lessees or invitees, then such maintenance or repair and all costs thereof shall be made at the sole expense of the responsible Owner. If any Lot Owners fail or refuse to maintain and/or repair the common driveways or access ways as provided herein, the Association shall have the right, but not the obligation, to perform such maintenance or repair and specifically assess the Owners for the cost thereof pursuant to Section 4.6 of this Declaration. In the event a dispute arises as to the responsibility or costs of such maintenance and repair, the Association shall have the absolute right, in its sole discretion, to make the decision as to who is responsible for such maintenance and repair, and the cost thereof, which decision shall be binding upon all of the Lot Owners affected thereby.

Article 6 Architectural Standards

6.1 General. No exterior construction, alteration or addition of any improvements of any nature whatsoever (including, without limitation, staking, clearing, excavating, grading, filling, construction of impervious surfaces, building, exterior alteration of existing improvements, installing storm and screen doors, storm windows, fencing, changing the exterior color of any existing improvement and planting and removing landscaping materials), shall be commenced or placed upon any part of the Community unless, installed by the Declarant or an affiliate of the Declarant, approved in accordance with this Article, or otherwise expressly permitted under this Declaration. Any Owner may remodel, paint or redecorate the interior of a structure located on a Lot without approval hereunder. However, additions and/or modifications to the interior of porches, balconies, decks, patios and similar portions of a structure visible from outside of a Lot shall be subject to approval. No approval shall be required to repaint the exterior of a structure located on a Lot in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications. This Article shall not apply to the activities of the Declarant or Declarant's affiliates or to improvements to the Common Property made by or on behalf of the Association. This Article may not be amended without the written consent of the Declarant until: (a) Declarant no longer owns any property in the Community or

any additional property that can be annexed to the Community as provided herein; and (b) each Lot has been improved with a dwelling for which a certificate of occupancy has been issued.

6.2 Guidelines and Procedures. Except as provided above or as specifically articulated in the Architectural Guidelines established pursuant to Section 6.3 hereof, no exterior construction, addition or alteration shall be made unless and until plans and specifications shall have been submitted in writing to and approved by the Declarant. Such plans and specifications shall be of sufficient detail to allow the Declarant to make its review and to the extent required by the Declarant shall show the nature, kind, shape, height, materials and location of the proposed structure or improvement. The Declarant shall be the sole arbiter of such plans and specifications and may withhold approval for any reason, including, without limitation, purely aesthetic considerations, and it shall be entitled to stop any construction in violation of the plans and specifications, any provision of this Declaration or the Architectural Guidelines, as defined in Section 6.3 below. If the Declarant fails to approve or to disapprove submitted plans and specifications within forty-five (45) days after receipt of all required information, such approval shall be deemed to have been given. If construction does not commence on a project for which plans have been approved within twelve (12) months of such approval, such approval shall be deemed withdrawn, and it shall be necessary for the Owner to resubmit the plans and specifications to the Declarant for reconsideration.

As a condition of approval under this Article, each Owner, on behalf of such Owner and such Owner's successors-in-interest, shall assume all responsibilities for the maintenance, repair, replacement and insurance to and on any improvement, change, modification, addition or alteration. In the discretion of the Declarant, an Owner may be required to verify such condition of approval by a recordable written instrument acknowledged by such Owner on behalf of such Owner and such Owner's successors-in-interest. The Declarant and its representatives and/or agents shall have the right, during reasonable hours and after reasonable notice, to enter upon any property in the Community to determine whether or not these restrictive covenants have been or are being complied with and such Persons shall not be deemed guilty of trespass by reason of such entry; provided, however, nothing herein shall be construed as permitting the Association to enter any residential dwelling located on a Lot without the consent of the Owner thereof.

6.3 Architectural Guidelines. The Declarant may adopt written architectural guidelines and application and review procedures ("Architectural Guidelines"), which may provide for a review fee. The Declarant shall have the sole and full authority to prepare, amend, modify or expand from time to time, at its sole discretion and without notice, the Architectural Guidelines. In the event the Declarant modifies, expands or repeals all or any portion of the Architectural Guidelines, said new Architectural Guidelines shall be distributed to all Owners and Occupants prior to the date that they are to become effective and shall thereafter be binding upon all Owners and Occupants until and unless overruled, canceled or modified by a majority of the Total Association Vote and the Declarant. The Declarant shall make the Architectural Guidelines available to Owners and Occupants who seek to engage in construction upon all or any portion of the Community and such Owners and Occupants shall conduct their operations strictly in accordance therewith and with the provisions of this Article 6. In addition, the Declarant shall

provide, without cost, a copy of the Architectural Guidelines then in effect to any requesting member or Mortgagee.

All Owners and Occupants of Lots are hereby notified that the use of their Lots is limited by the Architectural Guidelines as they may be amended, expanded, and otherwise modified hereunder. Each Owner, by acceptance of a deed or entering into a contract of sale, acknowledges and agrees that the use and enjoyment and marketability of such Owner's Lot can be affected by the Architectural Guidelines, that the Architectural Guidelines may change from time to time, and that such changed Architectural Guidelines may or may not be set forth in an instrument recorded in the Oconee County, Georgia land records.

6.4 Limitation of Liability. Plans and specifications are not approved for engineering or structural design, quality of materials or for compliance with applicable building codes, permitting requirements, zoning conditions or other applicable local or governmental laws, rules, regulations and ordinances governing construction in the Community and by approving such plans and specifications the Declarant, the Association and their respective directors, officers, members, representatives, agents or employees assume no liability or responsibility therefor or for any defect in any structure or improvement constructed from such plans and specifications or for any violation of applicable building codes, zoning conditions or applicable local or governmental laws, rules, regulations or ordinances. Neither the Declarant, the Association, nor their respective officers, directors, members, employees and agents shall be liable in damages to anyone submitting plans and specifications for approval or to any Owner of property affected by these restrictions by reason of mistake in judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. Every Person who submits plans and specifications and every Owner agrees that such Person or Owner will not bring any action or suit against the Declarant, the Association or their respective officers, directors, members, employees, representatives and agents to recover any damages and hereby releases, remises, quitclaims and covenants not to sue for all claims, demands and causes of action arising out of or in connection with any judgment, negligence or nonfeasance and hereby waives the provisions of any law which provides that a general release does not extend to claims, demands and causes of action not known at the time the release is given.

6.5 No Waiver. The approval of the Declarant of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval or consent of the Declarant, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications or drawings or matters whatsoever subsequently or additionally submitted for approval or consent.

6.6 Variances. Notwithstanding anything to the contrary contained herein, the Declarant shall be authorized to grant individual variances from any of the provisions of this Declaration and the Architectural Guidelines if it determines that waiver of application or enforcement of the provision in a particular case is dictated by unique circumstances, such as, but not limited to, topography, natural obstructions, hardship or aesthetic or environmental considerations. No variance shall: (a) be effective unless in writing; (b) be inconsistent with the overall scheme of development for the Community; or (c) estop the Declarant from denying a variance in other

similar circumstances. For purposes of this provision, the inability to obtain approval of any governmental agency or the issuance of any permit, or the terms of any financing shall not be considered a hardship warranting a variance.

6.7 Enforcement: Any structure, improvement or landscaping improvement placed or made in violation of this Article shall be deemed to be nonconforming. Upon written request from the Declarant, an Owner shall, at such Owner's own cost and expense, remove such nonconforming structure or improvement and restore the land to substantially the same condition as existed prior to the nonconforming work. Should an Owner fail to remove and restore as required, the Declarant and its agents shall have the right to enter the property, remove the nonconforming structure or improvement, and restore the property to substantially the same condition as previously existed. In such event, neither the Declarant, the Association nor their respective officers, directors, members, employees and agents shall be held liable to any Person for exercising the rights granted by this Section, including, without limitation, claims for damages resulting from the removal of the nonconforming structure or improvement in accordance with the procedures set forth herein. All costs, including, without limitation, reasonable attorneys' fees actually incurred, may be assessed against the Lot as a specific assessment. Any contractor, subcontractor, agent, employee or other invitee of an Owner who fails to comply with the terms and provisions of this Article and the Architectural Guidelines, if any, may be excluded by the Declarant from the Community, subject to any applicable notice and hearing procedures contained in the Bylaws. In the event of noncompliance with this Article, the Association or Declarant, as the case may be, may also record in the Oconee County, Georgia land records a notice of violation hereunder naming the violating Owner. In addition to the foregoing, Declarant or the Association, acting through the Board, shall have the authority and standing to pursue any and all remedies available at law and equity to enforce the provisions of this Article, including, without limitation, the right to levy and collect fines against non-complying Owners and Occupants in accordance with the provisions of this Declaration and the Bylaws.

6.8 Architectural Review By Declarant. Until: (a) the Declarant no longer owns any property in the Community and no longer owns any additional property that can be annexed to the Community as provided herein; and (b) each Lot has been improved with a dwelling for which a certificate of occupancy has been issued, the Declarant shall have the sole right, power and authority under this Article. Notwithstanding the foregoing, the Declarant may in its sole discretion relinquish architectural control as to certain types of improvements or modifications to the Board of Directors while retaining control over all other building and construction in the Community; provided, however, any right, power or authority of the Declarant which may be relinquished to the Board of Directors prior to the termination of the rights of Declarant hereunder shall only be by a written instrument executed by Declarant and recorded in the Oconee County, Georgia land records and no such right, power or authority shall be relinquished by implication or otherwise. For example and without limitation, the Declarant may relinquish control over modifications of existing structures to the Board of Directors while retaining all authority to review and approve new home construction. Upon the surrender in writing of all or a portion of such right and authority, the Board of Directors shall then have such jurisdiction over architectural control under this Article as may have been relinquished by the Declarant.

The establishment of an advisory architectural review committee shall not be deemed to be a relinquishment by Declarant of any of its right, power and authority hereunder.

After the termination or voluntary surrender of all or a portion of the rights of Declarant hereunder, the Board of Directors shall have all right, power and authority to review and approve all building and construction activity within the Community and this Article, or portions thereof, as applicable, shall then be read and interpreted as if any reference to the authority of or action by the Declarant in this Article 6 were a reference to the authority of or action by the Board of Directors. The Board of Directors may, but shall have no obligation to, establish an architectural review committee ("ARC"), which shall then have such rights, powers and authority as may be granted to it by the Board of Directors. The Board of Directors may grant to the ARC all of its rights, powers and authorities hereunder, or may grant the ARC such limited rights as it deems appropriate in its sole discretion. In the event that all or any portion of such rights, powers and authorities are granted to an ARC, this Article or portions thereof, as appropriate, shall then be read and interpreted as if any reference to the authority of or action by the Declarant in this Article 6 were a reference to the ARC. Notwithstanding anything herein to the contrary, the Board of Directors shall have the sole right and authority to appoint and remove the members of the ARC.

Article 7

Use Restrictions and Rules

7.1 Rules and Regulations. The Board of Directors may, from time to time, with the consent of the Declarant and without a vote of the members, promulgate, modify or delete reasonable rules and regulations applicable to the Community. Such rules and regulations shall be distributed to all Owners prior to the date that they are to become effective and shall thereafter be binding upon all Owners and Occupants until and unless overruled, canceled or modified by a majority of the Total Association Vote and the Declarant.

All Owners and Occupants of Lots are hereby notified that the use of their Lots is limited by the rules and regulations, as they may be amended, expanded, and otherwise modified hereunder. Each Owner, by acceptance of a deed or entering into a contract of sale, acknowledges and agrees that the use and enjoyment and marketability of such Owner's Lot can be affected by the rules and regulations, that the rules and regulations may change from time to time, and that such changed rules and regulations may or may not be set forth in an instrument recorded in the Oconee County, Georgia land records.

7.2 Residential Use. Each Lot shall be used for residential purposes exclusively. Leasing of a Lot for residential occupancy shall not be considered a business or business activity. No trade or business of any kind may be conducted in or from a Lot, except that the Owner or Occupant residing at the Lot may conduct business activities within the residential dwelling located thereon so long as the business activity: (a) does not otherwise violate the provisions of the Declaration, Bylaws or any rules and regulations of the Association; (b) is not apparent or detectable by sight, sound or smell from the exterior of the Lot; (c) does not unduly increase traffic flow or parking congestion; (d) conforms to all zoning requirements for the Community; (e) does not increase the insurance premium paid by the Association or otherwise negatively

affect the ability of the Association to obtain insurance coverage; (f) is consistent with the residential character of the Community; (g) does not constitute a nuisance or a hazardous or offensive use; (h) does not threaten the security or safety of other residents of the Community; and (i) does not involve door-to-door solicitation within the Community, all as may be determined in each case in the sole discretion of the Board of Directors. The Board may issue rules regarding permitted business activities. The terms "business" and "trade", as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involves the provision of goods or services to Persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (x) the activity is engaged in full or part-time; (y) the activity is intended to or does generate a profit; or (z) a license is required for the activity. Notwithstanding anything to the contrary herein, nothing in this Section 7.2 shall be construed as prohibiting the Declarant or any builder approved by Declarant from maintaining model homes, speculative housing, sales trailers or construction trailers in the Community.

7.3 Signs. No sign of any kind shall be erected or displayed within the Community without prior written approval under Article 6 hereof; provided, however, the following signs may be erected on any Lot without approval: (a) one (1) for-sale sign consistent with the Community-Wide Standard not larger than 18-inches by 18-inches; (b) security signs not larger than 18-inches by 18-inches consistent with the Community-Wide Standard; (c) signs required by legal proceedings; (d) one (1) "life event" sign commemorating a birth, graduation, or similar life event for a period not to exceed seven (7) days from the date of the event; and (e) such other signs as may be permitted under the Architectural Guidelines. No rental sign on of any kind shall be erected or displayed within the Community, including, without limitation, on a Lot or in the windows a residential dwelling located on a Lot, without prior written approval under Article 6 hereof. Notwithstanding the foregoing, the Board, on behalf of the Association, and the Declarant shall have the right to erect and display reasonable and appropriate signs in the Community, including, without limitation, signs relating to the development, construction, marketing and sales of residential dwellings located on Lots in the Community. The Board of Directors shall also have the right to adopt reasonable rules and regulations governing the display and placement of signs in the Community, including, without limitation, imposing reasonable time, place and manner restrictions. The Board or Declarant, as the case may be, may impose a reasonable fine per day for the display of any sign which violates this provision and is not removed within twenty-four (24) hours after written demand is delivered to the Owner at that Lot. Notwithstanding anything to the contrary herein, the provisions of this Section 7.3 shall not apply to any Mortgagee in possession due to the foreclosure of a first Mortgage or as grantee pursuant to any deed in lieu of such foreclosure.

7.4 Vehicles: Parking.

(a) General. Vehicles shall be parked only in appropriate parking spaces serving the Lot or other designated parking areas established by the Board, if any. The term "vehicles," as used herein, shall include, without limitation, motor homes, boats, trailers, motorcycles, minibikes, scooters, go carts, golf carts, trucks, campers, buses, vans and automobiles. The term "parking spaces serving the Lot" shall refer to the number of garage parking spaces and if, and only if, the

Owners and/or Occupants of a Lot have more vehicles than the number of garage parking spaces, those excess vehicles which are an Owner's or Occupant's primary means of transportation on a regular basis may be parked on the driveway located on such Lot. All parking shall be further subject to such reasonable rules and regulations as the Board may adopt from time to time.

(b) Garages. All homes shall contain a garage; carports shall not be permitted. Garage doors should be kept closed at all times, except during times of ingress and egress from the garage. Garages shall be used primarily for the parking of vehicles and not for storage or other purposes; provided, however, use of a garage for storage shall be permitted provided such storage does not prevent an Owner or Occupant from parking such Owner's or Occupant's vehicles in the garage. Garages shall not be converted to additional living space unless the same has been approved in accordance with Article 6 hereof.

(c) Disabled and Stored Vehicles. No vehicle may be left upon any portion of the Community, except in an enclosed garage or other area designated by the Board, if any, for a period of more than five (5) days if it is not licensed or if it is in a condition such that it is incapable of being operated upon the public highways. After such five-day period, such vehicle may be removed from the Community by the Board of Directors or the appropriate authority of Oconee County. No towed vehicle, boat, personal watercraft, recreational vehicle, motor home, trailer, motorcycle, minibike, scooter, go cart, golf cart, commercial vehicle, camper, bus or mobile home shall be regularly stored in the Community or temporarily kept in the Community, except if kept in an enclosed garage or other area designated by the Board, if any, for periods longer than forty-eight (48) hours (the temporary removal of such vehicle from the Community shall not be sufficient to establish compliance with the forty-eight (48) consecutive hour provision provided for herein). Trucks with mounted campers which are used as a primary means of transportation shall not be considered recreational vehicles provided they are used on a regular basis for transportation and the camper is stored out of public view upon removal. No eighteen wheel trucks or the cabs of such trucks or trucks with a load capacity in excess of three-quarters of a ton shall be parked, kept or stored within the Community except as may be reasonably necessary to provide service to or delivery within the Community or as otherwise permitted by the Board of Directors.

(d) Commercial Vehicles. The term "commercial vehicles" as used herein, shall include, without limitation, any vehicle which bears any indicia of commercial use, including, but not limited to, writing, logos, ladders, ladder racks, vehicles displaying signage of a commercial or business nature or vehicles which are not primarily used for the transportation of passengers, all as determined by the Board in its sole discretion. Commercial vehicles shall not be permitted in the Community, except if kept in an enclosed garage; provided however, construction, service, and delivery vehicles shall be exempt from this provision for such period of time as may be reasonably necessary to provide service to or make a delivery within the Community.

(e) Remedies of the Association for Noncompliance. If any vehicle is parked on any portion of the Community in violation of this Section or in violation of the Association's rules and regulations, the Board or agent of the Association may cause the vehicle to be towed or booted, subject to compliance with applicable law, including any notice required thereby. The notice may be a general notice by signage or may be placed on the vehicle, if and as allowed

under applicable law, as the case may be. If a vehicle is parked in a fire lane, is blocking another vehicle, is obstructing the flow of traffic, is parked on any landscaped area or otherwise creates a hazardous condition, the Board or agent of the Association may have the vehicle towed immediately, subject to compliance with applicable law. If a vehicle is towed or booted in accordance with this subparagraph and applicable law, neither the Association nor any officer or agent of the Association shall be liable to any person for any claim of damage as a result of the towing or booting activity. Notwithstanding anything to the contrary herein, the Board may elect to impose fines or use other available sanctions, rather than exercise its authority to tow or boot.

(f) Declarant and Builder Exemption. Notwithstanding the foregoing, the Declarant and any builders approved by Declarant and their respective agents, contractors, subcontractors and assigns shall have the right, during regular business hours, to park vehicles on any and all streets within the Community as needed in order to facilitate the construction, development and build out of the Community.

7.5 Leasing. Lots may be leased for residential purposes. All leases shall be in writing. Lots may be leased only in their entirety; no fraction or portion may be leased without prior written Board approval. Unless otherwise provided by the Board of Directors, all leases shall have a minimum term of at least twelve (12) months. No rental sign of any kind shall be erected or displayed within the Community, including, without limitation, on a Lot or in the windows of a residential dwelling located on a Lot, without prior written approval under Article 6 hereof.

(a) Notice. Within ten (10) days after executing a lease agreement for the lease of a Lot, the Owner shall provide the Board with the following information: (i) a copy of the fully executed lease agreement; (ii) the name of the lessee and all other Occupants of the Lot; (iii) the phone number of the lessee; (iv) the Owner's address and phone number other than at the Lot; and (v) other such information as the Board may reasonably require.

(b) General. The Owner must provide the lessee with copies of the Declaration, Bylaws, the rules and regulations of the Association and Architectural Guidelines, if any, and the lease shall provide that the Owner has made available to the lessee copies of the Declaration, Bylaws, and the rules and regulations and Architectural Guidelines, if any.

(c) Compliance with Declaration, Bylaws, and Rules and Regulations. Each Owner covenants and agrees that any lease of a Lot shall contain the following language and agrees that if such language is not expressly contained therein, then such language shall be incorporated into the lease by existence of this covenant, and the lessee, by occupancy of the Lot, agrees to the applicability of this covenant and incorporation of the following language into the lease:

Lessee shall abide by and comply with all provisions of the Declaration, Bylaws, and rules and regulations and Architectural Guidelines adopted pursuant thereto and shall control the conduct of all other Occupants and guests of the leased Lot in order to ensure such compliance. Owner agrees to cause all Occupants of such Owner's Lot to comply with the Declaration, Bylaws, and the rules and regulations and Architectural Guidelines adopted pursuant thereto and is responsible for all violations caused by such Occupants, notwithstanding the fact that such Occupants of the Lot are fully liable and may be sanctioned for any violation of the Declaration,

Bylaws, and rules and regulations and Architectural Guidelines adopted pursuant thereto. In the event that the lessee or a person living with the lessee violates the Declaration, Bylaws, or a rule or regulation or Architectural Guidelines for which a fine is imposed, notice of the violation shall be given to the Owner and the lessee, and such fine may be assessed against the lessee in accordance with the provisions contained herein. If the fine is not paid by the lessee within the time period set by the Board of Directors, the Owner shall pay the fine upon notice from the Association of the lessee's failure to pay the fine. Unpaid fines shall constitute a lien against the Lot.

(d) Use of Common Property. The Owner transfers and assigns to the lessee, for the term of the lease, any and all rights and privileges that the Owner has to use the Common Property.

(e) Liability for Assessments; Assignment of Rent. If an Owner who is leasing such Owner's Lot fails to pay any general, special or specific assessment or any other charge owed to the Association for a period of more than thirty (30) days after it is due and payable, then the delinquent Owner hereby consents to the assignment of any rent received from the lessee during the period of delinquency, and, upon request by the Board of Directors, lessee shall pay to the Association all unpaid general, special and specific assessments and other charges payable during and prior to the term of the lease and any other period of occupancy by lessee. However, lessee need not make such payments to the Association in excess of, or prior to the due dates for, monthly rental payments unpaid at the time of the Board of Director's request. All such payments made by lessee shall reduce, by the same amount, lessee's obligation to make monthly rental payments to lessor. If lessee fails to comply with the Board of Director's request to pay assessments or other charges, lessee shall pay to the Association all amounts authorized under the Declaration as if lessee were an Owner. The above provision shall not be construed to release the Owner from any obligation, including the obligation for assessments, for which such Owner would otherwise be responsible.

7.6 Animals and Pets. No animals, livestock or poultry of any kind may be raised, bred, kept or permitted on any Lot, with the exception of dogs, cats or other usual and common household pets in a reasonable number as determined by the Board from time to time. No animals shall be kept, bred or maintained for any commercial purpose. No dog runs, runners or exterior pens for household pets shall be erected or maintained on any Lot unless approved in accordance with the provisions of Article 6 hereof. Dogs shall at all times when outside of a dwelling located on a Lot be kept on a leash or otherwise under the physical control of a responsible person. All Owners must control their animals at all times, whether or not such Owner is present, in a manner that will prevent any animal from: (a) making noise at objectionable sound levels for extended periods of time, whether continuously or intermittently; (b) endangering the health or safety of other Owners, their families, guests or invitees or creating fear in other Owners as to the safety of themselves, their families, guests or invitees; or (c) otherwise constituting a nuisance or inconvenience to the Owner(s) or Occupant(s) of any other Lot; all of the foregoing as determined by the Association in its sole discretion.

All animals shall be registered, licensed and inoculated if and as required by law. Animal control authorities shall be permitted to enter the Community to patrol and remove unlicensed

animals. Animal waste deposited in the Community must be removed by the owner of the animal or the person responsible for the animal. The Association may adopt reasonable rules and regulations designed to minimize damage and disturbance to other Owners and Occupants, including, without limitation, regulations requiring damage deposits, waste removal, leash controls and noise controls. The Association may require that an Owner remove any animal that presents an actual threat to the health or safety of residents and require abatement of any nuisance or unreasonable source of annoyance. In the event that the Owner fails to remove an animal as provided herein, the Association shall have the right to institute legal action to have the animal removed and all costs associated therewith, including, without limitation, reasonable attorneys' fees actually incurred, shall be a specific assessment against the Lot of such Owner.

7.7 Nuisance: It shall be the responsibility of each Owner and Occupant to prevent the development of any unclean, unhealthy, unsightly or unkempt condition on a Lot. No property within the Community shall be used, in whole or in part, for the storage of any property or thing that will cause such Lot to appear to be in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any substance, thing or material be kept that will emit foul or obnoxious odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort or serenity of the occupants of surrounding property. No noxious or offensive activity shall be carried on within the Community, nor shall anything be done tending to cause embarrassment, discomfort, annoyance or nuisance to any Person using any property within the Community. No plants, animals, device or thing of any sort shall be maintained in the Community whose activities or existence is in any way noxious, dangerous, unsightly, unpleasant or of a nature as may diminish or destroy the enjoyment of the Community by other Owners and Occupants. Without limiting the generality of the foregoing, no horn, whistle, siren, bell, amplifier or other sound device, except such devices as may be used exclusively for security purposes, screaming, shouting, excessively loud talking, fighting, raucous behavior, insobriety, playing loud music or television, use of any alarm, equipment, or device, mechanical or otherwise which creates or produces excessively loud sounds or any vibrations, or any conduct which creates any noxious or offensive odors outside of a home shall be permitted, located, used, placed, installed or maintained upon all or any portion of a Lot, unless, if applicable, it has been approved pursuant to Article 6 hereof. The inconvenience complained of shall not be fanciful, or such as would affect only one of fastidious taste, but it shall be such as would affect an ordinary, reasonable person as determined in a particular instance by the Board. Notwithstanding anything to the contrary herein, each Owner and Occupant acknowledges that the Declarant and Declarant's representatives, agents, contractors and subcontractors may engage in construction activities on one or more Lots in the Community and each Owner and Occupant further agrees that such construction activities shall not be deemed a nuisance as provided herein.

7.8 Unsightly or Unkempt Conditions: The pursuit of hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly or unkempt conditions, shall not be pursued or undertaken in any part of the Community. This Section shall not apply to Declarant during the initial construction of a residential dwelling on a Lot.

7.9 Antennae. No exterior antenna, receiving dish or similar apparatus of any kind for receiving and/or transmitting audio and/or video signals shall be placed, allowed or maintained upon any portion of the Community, including any Lot, unless approved in accordance with the provisions of Article 6 hereof or as otherwise permitted by the Architectural Guidelines; provided, however, no approval shall be necessary to install the following on a residential dwelling located on a Lot: (a) antennae designed to receive direct broadcast satellite services, including direct-to-home satellite services or antennae designed to receive or transmit fixed wireless signals via satellite, that are one meter or less in diameter; (b) antennae designed to receive video programming services via multi-point distribution services or antennae designed to receive or transmit fixed wireless signals other than via satellite that are one meter or less in diameter or diagonal measurement; or (c) antennae that are designed and intended to receive television broadcast signals. Owners shall install any permitted antennae on the rear of the residential dwelling located on a Lot unless such installation: (x) imposes unreasonable delay or prevents the use of the antennae; (y) unreasonably increases the cost of installation; or (z) an acceptable quality signal cannot otherwise be obtained.

7.10 Tree Removal. No trees that are more than four (4) inches in diameter at a point twelve (12) inches above the ground and no ornamental or flowering trees, including, but not limited to, dogwood trees, cottonwood trees, cherry trees or apple trees, regardless of diameter, shall be removed from a Lot unless approved in accordance with the provisions of Article 6 hereof or as may be otherwise permitted pursuant to the Architectural Guidelines. The Association and Owners shall also comply with all zoning conditions and local ordinances applicable to tree removal. In the event of a conflict between the provisions of this Section and any zoning condition or local ordinance, the more restrictive provision shall govern. This provision shall not apply to the removal of trees by the Declarant or the Association.

7.11 Drainage. Catch basins, retention ponds, detention ponds, drainage easement areas and related drainage facilities are for the purpose of controlling the natural flow of water only. No obstructions or debris shall be placed in these areas. No Owner may obstruct or alter the drainage flow across or from their Lot after the location and installation of catch basins, retention ponds, detention ponds, drainage swales, storm sewers or storm drains without approval in accordance with the provisions of Article 6 hereof. In the event storm water drainage from any Lot or Lots flows across another Lot, provisions shall be made by the Owner of such downstream Lot to permit such drainage to continue, without restriction or reduction, across the downstream Lot and into the natural drainage channel or course although no specific drainage easement for such flow of water is provided on the subdivision plat for the Community recorded in the Oconee County, Georgia land records.

7.12 Sight Distance at Intersections. All property located at street intersections shall be landscaped so as to permit safe sight across the street corners. No fence, wall, hedge, shrub or other planting or thing shall be placed or permitted to remain where, in the opinion of the Board of Directors, it would create an unsafe condition.

7.13 Garbage Cans, Woodpiles, Etc. All garbage cans, recycling bins, woodpiles, swimming pool pumps, filters and related equipment, and other similar items shall be located or screened so as to be concealed from the view of neighboring streets and property. All rubbish,

trash, garbage, recycling materials and yard waste shall be regularly removed and shall not be allowed to accumulate. Unless otherwise provided by the Board, trash, recycling and yard waste receptacles shall be placed at the curb no earlier than 5:00 p.m. the day before pick up and shall be removed within twenty-four (24) hours. Trash, garbage, debris, yard waste or other waste matter of any kind may not be burned within the Community. Trash removal, recycling and yard waste pick-up shall also be subject to such reasonable rules and regulations as the Board of Directors may adopt from time to time.

7.14 Subdivision of Lot. No Lot shall be subdivided or its boundary lines changed except with prior written approval in accordance with Article 6 hereof. Declarant, however, hereby expressly reserves the right to subdivide and/or revise and re-record the subdivision plat of any Lot(s) with the consent of the Owner of the affected Lot(s) and to approve the revision and re-recording of any plat of any Lot(s) owned by any builder or developer, including, but not limited to, changing any Lot to Common Property, change Common Property to a Lot or right-of-way, or creating a public or private street over any Lot, Common Property or other property that was formerly a Lot, without the consent of any Person, other than the Owner(s) of such Lot(s).

7.15 Firearms. The discharge of firearms within the Community is prohibited. The term "firearms" includes, but is not limited to, "B-B" guns, pellet guns, archery equipment and firearms of all types, regardless of size.

7.16 Fences. No fence or fencing type barrier of any kind shall be placed, erected, allowed or maintained upon any Lot without prior written approval in accordance with the provisions of Article 6 hereof or in compliance with applicable Architectural Guidelines. In no event will an Owner be permitted to tie a fence into a fence maintained by the Association. Guidelines detailing acceptable fence styles or specifications may be issued pursuant to Article 6, but in no event may a chain link or barbed wire fence be approved. Notwithstanding the foregoing, Declarant and the Association may erect any type of fence on the Common Property or elsewhere within the Community as they may deem appropriate or as necessary to satisfy the requirements of any law, regulation or governmental entity or for the health and safety of Owners and Occupants.

7.17 Utility Lines. Except as may be permitted under and pursuant to Article 6 hereof, no overhead utility lines, including lines for cable television, shall be installed within the Community.

7.18 Air-Conditioning Units. No window air conditioning units may be installed.

under applicable Architectural Guidelines. Religious or holiday symbols and decorations may be displayed on a Lot of the kinds normally displayed in single-family residential neighborhoods; provided, however, the Association may adopt reasonable time, place and manner restrictions with respect to said symbols and decorations visible from outside of a structure located on a Lot, including, without limitation, imposing limitations on appearance, style, size, and number.

7.20 Artificial Vegetation, Gardens, Play Equipment, Exterior Sculpture, Water Features and Similar Items. No artificial vegetation shall be permitted on the exterior of any Lot or the Common Property. No vegetable garden, hammock, statuary, play equipment (including, without limitation, basketball goals or trampolines), exterior sculpture, fountains, or water features may be erected on any Lot without prior written approval in accordance with the provisions of Article 6 hereof and/or in compliance with the Architectural Guidelines.

7.21 Flags. Except for flags which may be installed by the Declarant, no flags may be displayed on any Lot without prior written approval in accordance with the provisions of Article 6 hereof or as may otherwise be permitted in the Architectural Guidelines established thereunder; provided, however, no such approval shall be required to display the flag of the United States of America and the current flag of the State of Georgia on a Lot in accordance with the provisions of the U.S. Flag Code (36 US Code 10) and usual and customary practice. The Board of Directors of the Association may promulgate reasonable rules and regulations with respect to the display of flags in the Community, including, without limitation, regulating the size of flags that may be displayed and imposing reasonable time, place and manner restrictions pertaining to the display of the United States flag; provided, however, the Association shall not enact any rule or regulation which has the effect of prohibiting any Owner from displaying the flag of the United States of America on a Lot in the Community in contravention of the Freedom to Display the American Flag Act of 2005.

7.22 Conservation Equipment. No solar energy collector panels or attendant hardware or other conservation equipment, including, without limitation, rain barrels, shall be constructed or installed on a Lot unless as an integral and harmonious part of the architectural design of a structure or otherwise screened from view and approved in accordance with the provisions of Article 6 hereof or as may be otherwise permitted in the Architectural Guidelines.

7.23 Swimming Pools. No swimming pool shall be constructed, erected or maintained upon any Lot without prior written approval in accordance with the provisions of Article 6 hereof and in no event shall any above-ground swimming pool be permitted; provided, however, portable or inflatable wading pools designed for use by small children shall be permitted so long as the same are properly maintained and stored out of view from neighboring property and the public streets when not in use.

7.24 Address Markers and Posts. All address markers and/or address posts shall be of the same type and color as originally installed on a Lot and any modification to or change in the address markers and/or address posts shall require the prior written approval of the Board pursuant to Article 6 hereof.

7.25 Clotheslines. No exterior clotheslines of any type shall be permitted upon any Lot.

7.26 Entry Features. Owners shall not alter, remove or add improvements to any entry features or streetscapes constructed on any Lot in connection with the original development of the Community, or any part of any easement area associated therewith without prior written approval in accordance with Article 6 hereof or applicable Architectural Guidelines.

7.27 Window Treatments. No foil or other reflective materials shall be used on any windows for sunscreens, blinds, shades or for any other purpose. The side of all window treatments, with the exception of stained wood blinds or shutters, which can be seen at any time from the outside of any structure located on a Lot shall be white, off-white or such other color(s) as may be permitted in the Architectural Guidelines or approved in accordance with Article 6 hereof. Bed sheets, blankets, towels, black plastic, paper and similar type items shall not be used as window treatments.

7.28 Garage Sales. No garage sale, carport sale, yard sale, flea market, or similar activity shall be conducted in any portion of the Community without the prior written consent of the Board of Directors. If permitted, such activities shall be subject to all reasonable conditions that the Board may impose.

7.29 Outbuildings and Similar Structures. No structure of a temporary nature shall be erected or allowed to remain on any Lot, and no trailer, camper, shack, tent, garage, barn or other structure may be used as a residence, either temporarily or permanently, without written approval in accordance with Article 6 hereof or in compliance with applicable Architectural Guidelines. However, this Section shall not be construed to prevent the Declarant and Declarant's representatives and agents and those engaged in development, construction, marketing, property management or sales in the Community from using sheds, trailers or other temporary structures for any of the foregoing purposes. In addition, nothing in this Section shall be construed to prevent the Declarant from developing, constructing, marketing, or maintaining model homes, speculative housing, sales offices or construction trailers within the Community.

7.30 Storm Water Detention/Retention Ponds, Creeks and Streams. All creeks, streams and storm water retention or detention ponds within the Community shall be aesthetic amenities and/or used for storm water drainage only; no other use thereof, including, without limitation, swimming, ice skating, playing, or use of personal flotation devices, and other recreation, shall be permitted without the written consent of the Board of Directors. The Association and/or Declarant shall not be responsible for any loss, damage, or injury to any person or property arising out of the authorized or unauthorized use of any creek, stream or storm water retention/detention ponds within the Community. No Owner shall have any right to place rocks, stones, trash, garbage, sewage, waste water, rubbish, debris, ashes or other refuse in any body of water located within the Community. Applicable governmental agencies, Declarant, and the Association shall have the sole right to control the water level of all bodies of water located within the Community and to control the growth and eradication of plants, fowls, reptiles, animals, fish and fungi in and around any creek, stream or the storm water retention/detention ponds within the Community. No deck, patio or porch shall be enclosed without prior approval in accordance with the provisions of Article 6 of the Declaration.

Article 8

Insurance and Casualty Losses

8.1 Insurance Obtained by Association. The Association shall obtain the insurance coverage necessary to satisfy the requirements of the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the U.S. Department of Veterans Affairs, and the U.S. Department of Housing and Urban Development, as applicable to the Community. Accordingly, the Board of Directors shall obtain casualty insurance for all insurable improvements, whether or not located on the Common Property, which the Association is obligated to maintain. Insurance obtained and maintained by the Association shall provide, at a minimum, fire and extended coverage and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. The Board of Directors shall obtain a public liability policy applicable to the Common Property covering the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents, and, if reasonably available, directors' and officers' liability insurance. The public liability policy shall have a combined single limit of at least One Million and No/100 Dollars (\$1,000,000.00). Policies may contain a reasonable deductible as determined by the Board of Directors. Nothing in this Section 8.1 shall be construed as obligating the Association to obtain or maintain insurance on a Lot or any structures or improvements located thereon or a Lot Owner's or Occupant's personal property.

In addition to the other insurance coverage required by this Section, the Board of Directors shall obtain workers compensation insurance, if and to the extent necessary to satisfy the requirements of applicable law, and, if available at reasonable cost, as determined in the sole discretion of the Board, a fidelity bond or employee dishonesty coverage covering directors, officers, employees and other Persons handling or responsible for the Association's funds. The amount of fidelity or employees dishonesty coverage, if obtained, shall be determined in the director's best business judgment and shall satisfy local, state or federal requirements for such coverage, if any. Such coverage, if obtained, shall also contain a waiver of all defenses based upon the exclusion of Persons serving without compensation and shall not be subject to cancellation, nonrenewal or substantial modification without at least ten (10) days' prior written notice to the Association. The Association shall also obtain construction code endorsements, steam boiler coverage and flood insurance, if and to the extent necessary to satisfy the applicable requirements of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association.

8.2 Insurance Obtained by Lot Owners. By virtue of taking title to a Lot subject to the terms of this Declaration, each Owner acknowledges and understands that the Association has no obligation to provide any insurance for any portion of an individual Lot and each Owner covenants and agrees with all other Owners and with the Association that each Owner shall obtain and maintain the following: (a) all-risk casualty insurance on the Lot and all structures, dwellings and improvements located or constructed thereon, which shall cover loss or damage by fire and other hazards commonly insured under an all-risk policy and, if reasonably available, shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard; (b) insurance covering an Owner's or Occupant's personal property; and (c) a liability policy covering damage or injury occurring on a Lot. The policies required hereunder shall be in effect at all times.

8.3 Damage and Destruction -- Insured by Association. Immediately after damage or destruction by fire or other casualty to any portion of any structure or improvement covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes. Any damage or destruction to property covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within sixty (60) days after the casualty, a proposal not to repair or reconstruct such property is approved by at least seventy-five percent (75%) of the Total Association Vote and the Declarant. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) days. If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the members of the Association, levy a special assessment against the Owner of each Lot subject to assessment under Article 4 hereof. Additional assessments may be made in like manner, as necessary, at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess funds shall be deposited to the benefit of the Association. In the event that it should be determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, the property shall thereafter be maintained by the Association in a neat and attractive condition consistent with the Community-Wide Standard and this Declaration.

8.4 Damage and Destruction -- Insured by Owners. The damage or destruction by fire or other casualty to all or any portion of any structure or improvement located on a Lot shall be repaired or reconstructed by the Owner thereof in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with Article 6 of this Declaration. Said repair or reconstruction shall be completed within seventy-five (75)

days after such damage or destruction occurred or, where repairs cannot be completed within seventy-five (75) days, they shall be commenced within such period and shall be completed within a reasonable period of time thereafter. Alternatively, the Owner of the Lot may elect to demolish all improvements on the Lot and remove all debris and ruins therefrom within seventy-five (75) days after such damage or destruction occurred and thereafter maintain the Lot in a neat and attractive, landscaped condition consistent with the Community-Wide Standard and this Declaration. The Owner shall pay all costs which are not covered by insurance proceeds.

Article 9
Easements

9.1 General. Each Lot shall be subject to those easements, if any, shown or set forth on the recorded subdivision plat(s) for the Community, as amended from time to time, as well as the easements now or hereafter established by the Declarant in this Declaration or by any other document recorded in the Office of the Clerk of Superior Court of Oconee County, Georgia.

9.2 Easements for Use and Enjoyment. Every Owner of a Lot shall have a right and easement of ingress and egress, use and enjoyment by the Owner and the Occupants of the Owner's Lot in and to the Common Property which shall be appurtenant to and shall pass with the title to each Lot, subject to the following:

(a) the right of the Association to borrow money for the purpose of improving the Common Property, or any portion thereof, or for constructing, repairing or improving any facilities located or to be located thereon and, upon the affirmative vote of the Owners of at least two-thirds (2/3) of the Lots and the consent of Declarant, to give as security for the payment of any such loan a Mortgage conveying all or any portion of the Common Property; provided, however, the lien and encumbrance of any such Mortgage given by the Association shall be subject and subordinate to any rights, interests, options, easements and privileges herein reserved or established for the benefit of the Declarant, any Owner or the holder of any Mortgage encumbering any Lot or other property located within the Community (regardless of any contrary provision in this Declaration or in any such Mortgage given by the Association, the exercise of any rights by the holder of such Mortgage in the event of a default thereunder shall not cancel or terminate any rights, easements or privileges herein reserved or established for the benefit of Declarant or any Owner or the holder of any Mortgage encumbering any Lot or other property located within the Community);

(b) the right of the Association, acting through the Board of Directors and without a vote of the members, to dedicate or grant licenses, permits, easements and rights-of-way over, under and through the Common Property;

(c) the right of the Association to transfer or convey title to all or any portion of the Common Property upon the approval of the Owners of at least two-thirds (2/3) of the Lots and the consent of Declarant;

(d) all other rights of the Association, the Declarant, Owners and Occupants set forth in this Declaration, in any Supplementary Declaration, or in any deed conveying Common Property to the Association; and

(e) all encumbrances, zoning conditions, and other matters shown by the public records affecting title to the Common Property.

9.3 Easements for Utilities. There is hereby reserved and granted to Declarant and the Association a blanket easement upon, across, above and under all property within the Community for access, ingress, egress, installing, altering, repairing, replacing, and maintaining all utilities serving the Community or any portion thereof, including, but not limited to, gas, water, sanitary sewer, telephone and electricity, as well as storm drainage and any other service such as, but not limited to, a master television antenna system, cable television system, or security system which the Declarant or the Association might decide to have installed to serve the Community. Declarant, the Association or their respective designees, as the case may be, may alter drainage and water flow, install, repair, replace and maintain or authorize the installation, repair, replacement and maintenance of such wires, conduits, cables and other equipment related to the providing of any utility or service. Should any party furnishing any such utility or service request a specific license or easement by separate recordable document, Declarant or the Board shall have the right to grant such easement. The Board of Directors, without a vote of the Owners, shall have the right, power and authority to grant permits, licenses, utility easements, and other easements under, through, or over the Lots, and/or the Common Property, as may be reasonably necessary to or desirable for the ongoing maintenance and operation of the Community.

9.4 Easement for Emergency Entry. The Association shall have the right, but not the obligation, to enter upon any Lot for emergency, security and safety reasons and to inspect for the purpose of ensuring compliance with this Declaration, any Supplementary Declaration, Bylaws, rules and regulations of the Association and Architectural Guidelines, which right may be exercised by any member of the Board, the officers, agents, employees, and managers of the Association and all policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner. This right of entry shall include the right of the Association to enter upon any Lot to cure any condition which may increase the possibility of a fire, slope erosion or other hazard in an emergency situation and in the event an Owner fails or refuses to cure the condition within a reasonable period of time after requested by the Association, but shall not authorize entry into any single family dwelling located on a Lot without the permission of the Owner.

9.5 Easement for Maintenance. Declarant hereby grants to the Association a perpetual easement across the exterior portions of all Lots as may be reasonably necessary for the maintenance required hereunder. Such maintenance shall be performed with a minimum of interference to the quiet enjoyment of Lots, reasonable steps shall be taken to protect such property and damage shall be repaired by the Association or its contractor(s) at their sole cost and expense.

9.6 Easement for Entry Features and Streetscapes. There is hereby reserved and granted to the Declarant, any builder approved by the Declarant and the Association an easement for ingress, egress, installation, construction, landscaping and maintenance of entry features and similar streetscapes for the Community, over and upon the Entry Feature Easement Areas and any other portion of a Lot containing such entry features and streetscapes. The easement and right herein reserved shall include the right to cut, remove and plant trees, shrubbery, flowers and other vegetation around entry features and streetscapes and the right to grade the land under and around the same.

9.7 Easement for Mailbox Kiosk. There is hereby reserved and granted to the Declarant, any builder approved by the Declarant and the Association an easement for ingress, egress, installation, construction, landscaping and maintenance of the mailbox kiosk and appurtenant improvements, over and upon the Mailbox Kiosk Easement Area. The easement right herein reserved shall include the right to cut, remove and plant trees, shrubbery, flowers and other vegetation around the mailbox kiosk and the right to grade the land under and around the same.

9.8 Easement for Drainage. There is hereby reserved and granted to the Declarant and the Association an easement upon, across, above and under all storm water drainage easement areas as shown on the recorded subdivision plat(s) for the Community for access, ingress, egress, installation, alteration, repair, replacement, and maintenance of the storm water drainage system and related facilities serving the Community or any portion thereof. This easement shall include the right to construct and maintain catch basins, retention ponds, detention ponds, drainage swales, storm sewers, storm drains, sloping banks, cut or fill. In addition, there is hereby reserved to the Declarant and granted to the Association a blanket easement across all Lots for creating and maintaining satisfactory drainage in the Community; provided, however, such easement area shall not include any portion of a Lot within the outer perimeter of the dwelling structure. It is anticipated that increased storm water run-off across downstream Lots will result from the construction of impervious surface within or adjacent to the Community. Neither the Declarant, the Association, nor their respective officers, directors, representatives or agents, nor any builder or Owner constructing according to plans and specifications approved under Article 6 hereof shall have any liability to any Owner due to the increased flow or increased velocity of surface water resulting from approved construction within the Community.

9.9 Easement During Construction and Sale Period. Notwithstanding any provisions now or hereafter contained in this Declaration, the Bylaws, Articles of Incorporation, use restrictions, rules and regulations, Architectural Guidelines, and amendments or revisions thereto, Declarant reserves an easement across the Community to maintain and carry on, upon such portion of the Community as it or any builder approved by Declarant may reasonably deem necessary, such facilities and activities as in its sole opinion may be required or convenient for Declarant's development, construction and sales activities related to property hereby and hereafter subjected to this Declaration or for the development, construction or benefit of any neighboring property, including, but not limited to: (a) the right to place or authorize the placement of marketing and directional signs on Lots or right-of-way at street intersections within the Community; (b) the right of access, ingress and egress for vehicular and pedestrian traffic and construction activities over, under, on or in the Community, including, without limitation, any Lot; (c) the right to tie into any portion of the Community with streets, driveways,

paths, parking areas and walkways; (d) the right to tie into and/or otherwise connect and use (without a tap-on or any other fee for so doing), replace, relocate, maintain and repair any device which provides utility or similar services including, without limitation, electrical, telephone, cable television, natural gas, water, sewer and drainage lines and facilities constructed or installed in, on, under and/or over the Community; (e) the right to grant easements over, under, in or on the Community, including without limitation the Lots, for the benefit of neighboring properties for the purpose of tying into and/or otherwise connecting and using sewer and drainage lines and facilities constructed or installed in, on, under and/or over the Community; (f) the right without the consent of any Person, to subdivide and/or revise and re-record the subdivision plat(s) of the Community, including, without limitation, creating and/or more specifically describing any Lot, changing any Lot or portion of a Lot to Common Property, Common Property to a Lot or right-of-way or creating a public or private street over all or any portion of a Lot or other property within the Community; provided, however, the boundary lines of any Lot not owned by Declarant shall not be changed without the written consent of the Owner(s) and Mortgagee(s) of such Lot; (g) the right to construct utilities and other improvements on Common Property; (h) the right to carry on sales and promotional activities in the Community; (i) the right to convert Lots (with the consent of the Owner thereof) to Common Property and/or streets; and (j) the right to construct and operate business offices, signs, construction trailers, model residences and sales offices. Declarant may use residences, offices or other buildings owned or leased by Declarant as model residences and sales offices. This Section shall not be amended without the Declarant's written consent until the rights of Declarant have terminated as provided in Section 10.5 hereof.

9.10 Easement for Common Driveways: The Declarant hereby creates joint and reciprocal easements in perpetuity for vehicular and pedestrian access, ingress, egress, use and maintenance, in, upon, over and across any driveways serving more than one (1) Lot in the Community (hereinafter referred to as the "Common Driveways"). The right-of-way easement herein granted shall permit joint usage of such easement by: (a) Owners and Occupants of Lots served by the Common Driveways, (b) the legal representatives, successors and assigns of such Owners, and (c) invitees and licensees of the Owners and Occupants of Lots served by the Common Driveways. Declarant hereby expressly reserves for itself, its successors and assigns, all rights and privileges incident to the ownership of the fee simple estate of any right-of-way easement area which are not inconsistent with the rights and privileges herein granted, including, without limitation, the right to maintain one or more proprietary signs on the easement area and the right to grant additional non-exclusive easements to third parties, over, under and across the easement area. Declarant hereby reserves for the benefit of Declarant and grants to the Association, the perpetual nonexclusive right and easement upon, over and across the Common Driveways for the installation, maintenance, and use of such streets and roads, sidewalks, traffic directional signs, grading for proper drainage of said streets and roads, and related activities and improvements. In connection with the creation of this easement, it is acknowledged and agreed that no Owner, Occupant, or any tenant, guest or invitee of an Owner, of a Lot served by or on which is located all or any part of a Common Driveway way shall block such Common Driveway or impair or otherwise impede in any manner the rights herein granted to the Owner of any other Lot served by such Common Driveway. Nothing contained herein shall, however, permit any Owner of a Lot served by a Common Driveway way to park any vehicle upon the Lot of any other Owner served by such Common Driveway or on any portion of any such Common

Driveway necessary for the use by any other Owner of a Lot served thereby for the purposes herein provided.

Article 10
General Provisions

10.1 Enforcement. Each Owner and Occupant shall comply strictly with the Bylaws, rules and regulations, use restrictions and Architectural Guidelines, as amended or modified from time to time, and with the covenants, conditions, easements and restrictions set forth in this Declaration, the recorded subdivision plat(s) for the Community and in the deed to such Owner's Lot, if any. Declarant or the Association, acting through the Board of Directors, may impose fines or other sanctions for violations of the foregoing in accordance with this Declaration and the Bylaws, which fines shall be collected as provided herein for the collection of assessments; provided, however, only one fine may be imposed for a single violation such that an Owner or Occupant may not be fined by Declarant and the Association for the same violation; and provided, further, Declarant or the Association, as the case may be, may count each day a violation continues after notice thereof as a separate violation. In the event fines or other sanctions are imposed by Declarant, Declarant shall have any and all rights to collect such fines or sanctions (which fines shall be payable to the Association) and any related charges, including, without limitation, attorneys' fees actually incurred and costs of collection, in the same manner as provided herein for the collection of assessments by the Association acting through the Board.

The failure to comply with this Declaration, the Bylaws, the rules and regulations, use restrictions and the Architectural Guidelines shall be grounds for an action to recover sums due for damages or injunctive relief or both, including, without limitation, reasonable attorneys' fees actually incurred, maintainable by the Association, Declarant or an aggrieved Owner. Failure by the Declarant, the Association or any Owner to enforce any of the foregoing shall in no event be deemed a waiver of the right to do so thereafter. Declarant or the Association shall have the right to record in the appropriate land records a notice of violation of the Declaration, Bylaws, rules and regulations, use restrictions or Architectural Guidelines and to assess the cost of recording and removing such notice against the Lot of the Owner who is responsible (or whose Occupants are responsible) for violating the foregoing.

10.2 Occupants Bound: All provisions of the Declaration, Bylaws, rules and regulations, use restrictions and Architectural Guidelines which govern the conduct of Owners and which provide for sanctions against Owners shall also apply to all Occupants and the guests and invitees of Owners and Occupants. The Owner shall be responsible for insuring that the Occupants, the guests, invitees and licensees of the Owner and Occupant strictly comply with all provisions of the Declaration, Bylaws, rules and regulations, use restrictions and Architectural Guidelines. Fines may be levied against Owners or Occupants. If a fine is first levied against an Occupant and is not timely paid, the fine may then be levied against the Owner.

10.3 Self-Help. In addition to any other remedies provided for herein, the Association, acting through the Board, Declarant or their respective duly authorized agents shall have the power to enter upon any Lot or any other portion of the Community to abate or remove any structure, improvement, thing or condition which violates this Declaration, the Bylaws, the rules

and regulations, the use restrictions or the Architectural Guidelines. Unless an emergency situation exists, the violating Owner shall be given ten (10) days' written notice of the intent to exercise self-help. Notwithstanding the foregoing, vehicles may be towed after giving any notice required herein or by law. All costs of self-help, including, without limitation, reasonable attorneys' fees actually incurred, shall be assessed against the Lot of the violating Owner as a specific assessment.

10.4 Duration: The covenants, conditions, restrictions and easements contained in this Declaration shall run with and bind the Community, and shall inure to the benefit of and shall be enforceable by the Association, the Declarant and any Owner, their respective legal representatives, heirs, successors, and assigns, perpetually to the extent provided by law; provided, however, if and to the extent that Georgia law limits the period during which covenants restricting land to certain uses may run, any provisions of this Declaration affected thereby shall run with and bind the land so long as permitted by such law, after which time, any such provision(s) shall be: (a) automatically extended for successive periods of twenty (20) years (or the maximum period allowed by applicable law, if less), unless a written instrument signed by the then Owners of at least two-thirds (2/3) of the Lots has been recorded within the year immediately preceding the beginning of a twenty (20) year renewal period agreeing to change such provisions, in whole or in part, or to terminate the same, in which case this Declaration shall be modified or terminated to the extent specified therein; or (b) extended, renewed, modified or terminated as otherwise provided herein or by applicable law.

10.5 Termination of Rights of Declarant. The rights of Declarant to take, approve or consent to actions under this Declaration, the Articles of Incorporation and the Bylaws shall cease and be of no further force and effect upon the earlier of: (a) the date that the Declarant no longer owns any property in the Community or any additional property that may be annexed to the Community as provided herein and a certificate of occupancy has been issued for a residential dwelling on each Lot in the Community; or (b) the date of recording by Declarant in the Oconee County, Georgia land records of a written instrument terminating all of Declarant's rights hereunder.

10.6 Amendment.

(a) By the Declarant. This Declaration may be amended unilaterally at any time and from time to time by Declarant if such amendment is: (i) necessary to bring any provision hereof into compliance with any applicable governmental statute, rule or regulation or judicial determination which shall be in conflict therewith; (ii) necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration; (iii) required by an institutional or governmental lender or purchaser of mortgage loans, including, without limitation, the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase Mortgage loans on the Lots subject to this Declaration; or (iv) necessary to enable any governmental agency or private insurance company, including without limitation, the U.S. Department of Housing and Urban Development and the U.S. Department of Veterans Affairs, to insure or guarantee Mortgage loans on the Lots subject to this Declaration; provided, however,

any such amendment shall not adversely affect the substantive rights of any Owner to use such Owner's Lot without the consent of the affected Owner.

Further, Declarant may unilaterally amend this Declaration for any other purpose; provided, however, any such amendment shall not adversely affect the substantive rights of any Owner to use such Owner's Lot without the consent of the affected Owner.

(b) By the Board. The Board of Directors, with the written consent of the Declarant, and without a vote of the members may amend this Declaration: (i) to elect to be governed by and thereafter comply with the provisions of the Georgia Property Owners' Association Act, O.C.G.A. § 44-3-220 *et seq.*; (ii) to bring any provision hereof into compliance with any applicable governmental statute, rule or regulation or judicial determination which shall be in conflict therewith; (iii) to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration; (iv) if such amendment is required by an institutional or governmental lender or purchaser of mortgage loans, including, without limitation, the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase Mortgage loans on the Lots subject to this Declaration; or (v) to enable any governmental agency or private insurance company, including without limitation, the U.S. Department of Housing and Urban Development and the U.S. Department of Veterans Affairs, to insure or guarantee Mortgage loans on the Lots subject to this Declaration; provided, however, any such amendment shall not adversely affect the substantive rights of any Owner to use such Owner's Lot without the consent of the affected Owner.

(c) By the Association. In addition to the above, this Declaration may be amended upon the affirmative vote or written consent or any combination thereof of Owners of at least two-thirds (2/3) of the Lots and the consent of Declarant. Amendments to this Declaration shall become effective upon recordation unless a later effective date is specified therein.

The consent of the Declarant to any amendment shall be evidenced by the execution of said amendment by Declarant. The consent of the requisite number of Owners to any amendment shall be evidenced by the execution of the amendment by said Owners, or, in the alternative, the sworn statement of the President or any Vice President or the Secretary of the Association attached to or incorporated in the amendment, which sworn statement states unequivocally that the consent of the required number of Owners was obtained and that any notices required by this Declaration, the Bylaws, the Articles of Incorporation and Georgia law were given. The amendments authorized by this Section may be of uniform or non-uniform application and Owners shall be deemed to have agreed that the Declaration may be amended as provided herein and that any rule of law requiring unanimous approval of amendments having a non-uniform application shall not apply.

10.7 Gender and Grammar: The singular, wherever used herein, shall be construed to mean the plural, when applicable, and the use of the masculine or feminine pronoun shall include the neuter, masculine and feminine.

10.8 Severability. Whenever possible, each provision of this Declaration shall be interpreted in such manner as to be effective and valid, but if the application of any provision of this Declaration to any Person or to any property shall be prohibited or held invalid, such prohibition or invalidity shall not affect any other provision or the application of any provision which can be given effect without the invalid provision or application and, to this end, the provisions of this Declaration are declared to be severable.

10.9 Captions. The captions of each Article and Section hereof, as to the contents of each Article and Section, are inserted only for convenience and are in no way to be construed as defining, limiting, extending or otherwise modifying or adding to the particular Article or Section to which they refer.

10.10 No Merger. There shall be no merger of any of the covenants, conditions, restrictions or easements created or reserved hereby with the fee estate of Declarant, by reason of the fact that Declarant may own or hold the estate or interest both encumbered and benefited by such covenants, conditions, restrictions or easements and no such merger shall occur unless and until Declarant, while owning all of the estate or interests shall execute a written statement or instrument affecting such merger and shall duly record the same.

10.11 Preparer: This Declaration was prepared by Katharine A. Dyott, Dorough & Dorough, LLC, Attorneys at Law, 160 Clairemont Avenue, Suite 650, Decatur, Georgia 30030.

10.12 Notices. Except as otherwise specifically provided in such document(s), as the case may be, notices provided for in this Declaration or the Articles or Bylaws shall be in writing, and shall be addressed to an Owner at the address of the Lot and to the Declarant and to the Association at the address of their respective registered agent on file with the Secretary of State of the State of Georgia. Any Owner may designate a different address, including an electronic mail address, for notices to such Owner by giving written notice to the Association. Owners shall keep the Association advised of their current address and phone number(s) where they can be reached. Notices addressed as above shall be mailed by United States Registered or Certified Mail, return receipt requested, postage paid, or delivered in person, including delivery by Federal Express or other reputable commercial courier service, or by electronic transmission in accordance with Chapter 12 of Title 10 of the Official Code of Georgia Annotated, the "Uniform Electronic Transactions Act". The time period in which a response to any such notice must be given or any action taken with respect thereto, shall commence to run from the date of personal delivery or date of receipt shown on the return receipt. Rejection or other refusal to accept or the inability to deliver because of changed address of which no notice was given shall be deemed to be receipt of the notice sent.

10.13 No Discrimination. No action shall be taken by the Declarant, the Association or the Board of Directors which would discriminate against any person on the basis of race, creed, color, national origin, religion, sex, familial status or disability.

10.14 Security. ALL OWNERS, OCCUPANTS, GUESTS, LICENSEES, AND INVITEES, AS APPLICABLE, ACKNOWLEDGE THAT DECLARANT, THE ASSOCIATION AND ITS BOARD OF DIRECTORS, AND THE ARCHITECTURAL

REVIEW COMMITTEE, IF ANY, DO NOT REPRESENT OR WARRANT THAT ANY SAFETY OR SECURITY MEASURES WILL BE IMPLEMENTED IN THE COMMUNITY OR, IF IMPLEMENTED, THAT SUCH SAFETY OR SECURITY MEASURES MAY NOT BE COMPROMISED OR CIRCUMVENTED, OR THAT ANY SUCH SAFETY OR SECURITY MEASURES WILL IN ALL CASES PROVIDE THE DETECTION OR PROTECTION FOR WHICH THEY ARE DESIGNED. EACH OWNER, OCCUPANT, GUEST, LICENSEE, OR INVITEE, AS APPLICABLE, ACKNOWLEDGES AND UNDERSTANDS THAT DECLARANT, THE ASSOCIATION, THE BOARD OF DIRECTORS AND THE ARCHITECTURAL REVIEW COMMITTEE, IF ANY, ARE NOT INSURERS OR PROVIDERS OF SAFETY OR SECURITY AND SHALL HAVE NO DUTY TO PROVIDE ANY SAFETY OR SECURITY ON THE COMMON PROPERTY OR OTHERWISE; AND THAT EACH OWNER, OCCUPANT, GUEST, LICENSEE, AND INVITEE ASSUMES ALL RISKS OF PERSONAL INJURY AND PROPERTY DAMAGE AND FURTHER ACKNOWLEDGES THAT DECLARANT, THE ASSOCIATION, THE BOARD OF DIRECTORS, AND THE ARCHITECTURAL REVIEW COMMITTEE, IF ANY, HAVE MADE NO REPRESENTATIONS OR WARRANTIES, NOR HAS ANY OWNER, OCCUPANT, GUEST, LICENSEE, OR INVITEE RELIED UPON ANY REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE RELATIVE TO ANY SAFETY OR SECURITY MEASURES IMPLEMENTED OR APPROVED. THE RESPONSIBILITY FOR SECURITY LIES SOLELY WITH EACH LOT OWNER.

10.15 Indemnification. To the fullest extent allowed by the Georgia Nonprofit Corporation Code, and in accordance therewith, the Association shall indemnify every current and former officer, director and committee member against any and all expenses, including, but not limited to, attorneys' fees, imposed upon or reasonably incurred by any officer, director or committee member in connection with any action, suit or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which such officer, director or committee member may be a party by reason of being or having been an officer, director or committee member. The officers, directors and committee members shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers, directors and committee members shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association and the Association shall indemnify and forever hold each such officer, director and committee member free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer, director or committee member, or former officer, director or committee member, may be entitled. The Association shall maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such coverage is reasonably available.

10.16 Notice of Sale or Acquisition. Owners must keep the Association apprised of their name, address and telephone number. Accordingly, prior to the sale of a Lot, the Owner shall provide the Association with written notice of the name of the purchaser and such other information as the Board may reasonably require. Upon acquisition of a Lot, each new Owner

shall provide the Association with written notice of the name, mailing address and telephone number of the Owner, the names of the Occupants of the Lot, if any, and such other information as the Board may reasonably require. All Owners shall notify the Association of any change in name, address or telephone number.

10.17 Agreements. Subject to the prior approval of Declarant, all agreements and determinations, including settlement agreements regarding litigation involving the Association, lawfully authorized by the Board of Directors, shall be binding upon all Owners, their heirs, legal representatives, successors, assigns and others having an interest in the Community or the privilege of possession and enjoyment of any part of the Community.

10.18 Variances. Notwithstanding anything to the contrary contained herein, the Declarant and the Board of Directors with the consent of Declarant shall be authorized to grant individual variances from any of the provisions of this Declaration, the Bylaws and any rule, regulation or use restriction promulgated pursuant thereto, if it determines that waiver of application or enforcement of the provision in a particular case is warranted and would not be inconsistent with the overall scheme of development for the Community.

10.19 Litigation. No judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by at least seventy-five percent (75%) of the Total Association Vote and the Declarant. This Section shall not apply to: (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens); (b) the imposition and collection of assessments as provided herein; (c) proceedings involving challenges to *ad valorem* taxation; (d) counterclaims brought by the Association in proceedings instituted against it; or (e) actions brought by the Association against any contractor, vendor, or supplier of goods or services arising out of a contract for goods or services to which the Association is a party. This Section shall not be amended unless such amendment is made unilaterally by the Declarant as provided herein or is approved by the percentage votes necessary to institute proceedings as provided above.

10.20 Disclosures. Every Owner, by acceptance of a deed to a Lot, acknowledges that it will be subject to and bound by the terms and conditions of this Declaration, Bylaws, Architectural Guidelines and any rules and regulations adopted pursuant thereto.

Each Owner and Occupant also acknowledges the following:

- (a) that the Community is located adjacent to thoroughfares and may be affected by traffic and noise from time to time, and such thoroughfares may be improved or widened in the future;
- (b) that the views from an Owner's Lot may change over time due to among other things, additional development and the removal or addition of landscaping;
- (c) that no representations are made regarding the zoning of adjacent property or that the category to which adjacent property is zoned may not change in the future;

(d) that no representations are made regarding the schools that currently, or which may in the future, serve the Community;

(e) that because in every development there are conditions that different purchasers may find objectionable, including but not limited to traffic congestion and related noise, each Owner acknowledges that there may be conditions outside of the property that such Owner finds objectionable and that it shall be the sole responsibility of such Owner to become acquainted with neighborhood conditions that could affect the Lot; and

(f) that Declarant and/or builders approved by Declarant will be constructing portions of the Community and adjacent property and may engage in other construction activities related to other portions of the development and such adjacent property. Such construction activities may, from time to time, produce certain conditions within or in the vicinity of the Community, including, without limitation: (i) noise or sound that is objectionable because of its volume, duration, frequency or shrillness; (ii) smoke; (iii) noxious, toxic, or corrosive fumes or gases; (iv) obnoxious odors; (v) dust, dirt or flying ash; (vi) unusual fire or explosion hazards; (vii) temporary interruption of utilities; and/or (viii) other conditions that may threaten the security or safety of Persons in the Community. Notwithstanding the foregoing, each Owner agrees that such conditions in the Community resulting from construction activities shall not be deemed a nuisance or discomfort to Owner and shall not cause Declarant, builders approved by Declarant and their respective representatives or agents to be deemed in violation of any provision of this Declaration.

Article 1

Name, Membership, Applicability and Definitions

1.1 Name. The name of the corporation shall be Piper Glen Homeowners Association, Inc. (hereinafter sometimes referred to as the "Association").

1.2 Membership. The Association shall have one class of membership, as is more fully set forth in that certain Declaration of Protective Covenants, Conditions, Restrictions and Easements for Piper Glen (such Declaration, as amended, supplemented, renewed, or extended from time to time, is hereinafter sometimes referred to as the "Declaration"), the terms of which pertaining to membership are specifically incorporated by reference herein.

1.3 Definitions. The words used in these Bylaws shall have the same meaning as set forth in the Declaration, unless the context shall prohibit, or the meanings given in the Georgia Nonprofit Corporation Code (O.C.G.A. Section 14-3-101, *et seq.*) (the "Nonprofit Code"). Statutory references shall be construed as meaning the referenced statute or portion thereof as the same may exist from time to time.

Article 2

Association: Meetings, Quorum, Voting, Proxies

2.1 Place of Meetings. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the members as may be designated by the Board of Directors, either in the Community or as convenient thereto as possible and practical.

2.2 Annual Meetings. There shall be an annual meeting of the members at such date, place and time as the Board of Directors shall determine to receive the reports of the outgoing Board of Directors, to install directors for the ensuing year and to transact such other business as may come before the meeting.

2.3 Special Meetings. The President or the Board of Directors may call special meetings. In addition, it shall be the duty of the President to call a special meeting of the Association upon the delivery of a petition signed and dated by members entitled to cast at least twenty-five percent (25%) of the Total Association Vote and describing the purpose or purposes for which it is to be held. The notice of any special meeting shall state the date, time, and place of such meeting and the purpose(s) thereof. No business shall be transacted at a special meeting, except those matters that are within the purpose or purposes described in the notice.

2.4 Record Date. The Board of Directors shall fix in advance a record date for a determination of members entitled to notice of and to vote at any meeting of members or any adjournment thereof, or to make a determination of members for any other purpose, such date to be not more than seventy (70) days before the date on which the particular action requiring such determination of members is to be taken.

2.5 Notice of Meetings. It shall be the duty of the Secretary or such other agent as the Association may designate to mail or to cause to be delivered to each member (as shown in the records of the Association as of the record date) a written notice of each annual or special meeting of the Association stating the date, time and place where it is to be held and, if and to the extent required by the Nonprofit Code or other applicable law (the "Governing Law"), the purpose(s) thereof. Such notice shall be delivered personally or sent by United States mail, postage prepaid, statutory overnight delivery, or sent by electronic transmission in accordance with the Nonprofit Code to all members of record at the address shown in the Association's current records. If an Owner wishes notice to be given at an address other than the Lot, the Owner shall designate by notice in writing to the Secretary such other address. Notices shall be mailed or delivered not less than ten (10) days (or if notice is mailed by other than first-class or registered mail, thirty (30) days) nor more than sixty (60) days in advance of any annual, regularly scheduled or special meeting. If any meeting of the members is adjourned to a different date, time or place, notice need not be given of the new date, time or place, if the new date, time or place is announced at the meeting before adjournment. If, however, a new record date is or must be fixed under the Governing Law, notice of the adjourned meeting shall be given to persons who are members of record as of the new record date.

2.6 Waiver of Notice. Waiver of notice of a meeting of the members shall be deemed the equivalent of proper notice. Any member may, in writing or by electronic transmission signed by the member entitled to notice and delivered to the Association for inclusion in the minutes for filing with the Association's records, waive notice of any meeting of the members, either before or after such meeting. Attendance at a meeting by a member, whether in person or by proxy, shall be deemed waiver by such member of lack of notice or defective notice, unless such member specifically objects to lack of proper notice at the time the meeting is called to order.

2.7 Adjournment of Meetings. If any meeting of the Association cannot be held because a quorum is not present, a majority of the members who are present at such meeting, either in person or by proxy, may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the time the original meeting was called. At such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

2.8 Membership List. After the record date for any meeting is established by the Board of Directors, the Secretary shall prepare an alphabetical list of the names and addresses of all of the members who are entitled to notice of the meeting. Beginning at least two (2) business days after notice is given of the meeting for which the list was prepared, the list of members shall be available for inspection by any member or a member's agent or attorney: (1) on a reasonably accessible electronic network, provided that the information required to gain access to such list is

included with the notice of the meeting or upon request; or (2) during ordinary business hours at the Association's principal office or at such other reasonable place as may be specified in the notice in the city where the meeting will be held. In the event that the Association makes the list available on an electronic network, the Association may take reasonable steps to ensure that such information is available only to members of the Association. In addition, the list shall be available for inspection at the meeting or any adjournment thereof.

2.9 Voting. The voting rights of the members shall be as set forth in the Articles of Incorporation and the Declaration, and such voting rights are specifically incorporated herein.

2.10 Proxies. At all meetings of members, each member may vote in person or by proxy. All proxy appointment forms shall be in writing, signed either personally or by an electronic transmission, dated, and filed with the Secretary before the appointed time of each meeting. An electronic transmission must contain or be accompanied by information acceptable to the Board from which it can be determined that the member, the member's agent, or the member's attorney-in-fact authorized the electronic transmission. Proxies may be delivered to the Board of Directors by personal delivery, U.S. mail or electronic transmission to the Secretary or other officer or agent authorized to tabulate votes. Every proxy shall be revocable and shall automatically cease upon: (a) receipt of notice by the Secretary of the death or judicially declared incompetence of a member; (b) receipt by the Secretary or other officer or agent authorized to tabulate votes of written revocation signed by the member; (c) receipt by the Secretary or other officer or agent authorized to tabulate votes of a subsequent appointment form signed by the member; (d) attendance by the member and voting in person at any meeting; or (e) the expiration of eleven (11) months from the date of the proxy appointment form.

2.11 Quorum. The presence, in person or by proxy, of members entitled to cast at least twenty-five percent (25%) of the votes entitled to be cast at the meeting shall constitute a quorum at all meetings of the Association. The members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough members to leave less than a quorum.

2.12 Action By Written Consent. Any action required or permitted to be approved by the members may be approved without a meeting if one (1) or more consents, in writing or by electronic transmission, setting forth the action so taken, shall be signed, either personally or by an electronic transmission, and dated by members (including the Declarant, if the consent of the Declarant is required) holding the voting power required to pass such action at a meeting held on the record date for such action. The record date for such action shall be the date that the first member signs a consent. Such action shall be approved when the Secretary receives a sufficient number of such consents dated within seventy (70) days of the record date for such action. If less than unanimous consent is obtained, the approval shall be effective ten (10) days after the Secretary gives written notice of the approval to all members who did not sign a consent. Each consent in writing or by electronic transmission shall be included in the minutes of meetings of members filed in the permanent records of the Association. No consent in writing or by electronic transmission shall be valid unless: (1) the consenting member has been furnished the same material that, pursuant to the Nonprofit Code, would have been required to be sent to members in a notice of a meeting at which the proposed action would have been submitted to the

members for action; or (2) the written consent contains an express waiver of the right to receive the material otherwise required to be furnished.

2.13 Action By Written Ballot. Any action that may be taken at any annual, regular or special meeting of members may be taken without a meeting if approved by ballot in writing or by electronic transmission as provided herein. The Association shall deliver a ballot in writing or by electronic transmission to each member entitled to vote on the matter. The ballot in writing or by electronic transmission shall set forth each proposed action and provide an opportunity to vote for or against each proposed action. All solicitations for votes by ballot in writing or electronic transmission shall indicate the number of responses needed to meet the quorum requirements; state the percentage of approvals necessary to approve each matter other than election of directors; and specify the time by which a ballot must be received by the Association in order to be counted. A timely ballot in writing or by electronic transmission received by the Association may not be revoked. Approval by ballot in writing or by electronic transmission of an action shall only be valid when the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting held to authorize such action and the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot. The results of each action by ballot shall be certified by the Secretary and shall be included in the minutes of meetings of members filed in the permanent records of the Association.

Article 3

Board of Directors: Number, Powers, Meetings

3.1 Governing Body: Composition. The affairs of the Association shall be governed by a Board of Directors. Directors shall be natural persons who are eighteen (18) years of age or older. Except for directors appointed by the Declarant, each director must reside in the Community and be a member or the spouse of a member; provided, however, no Person may serve on the Board at the same time with such Person's spouse or any co-Owner or Occupant of such Person's Lot.

3.2 Directors Appointed by Declarant. The Declarant shall have the right to appoint or remove any member or members of the Board of Directors or any officer or officers of the Association until such time as the first of the following events shall occur: (a) the date on which all of the Lots planned by Declarant to be a part of the Community have been improved with a dwelling and conveyed to an Owner for occupancy as a residence; or (b) the surrender by Declarant in writing of the authority to appoint and remove directors and officers of the Association. The directors appointed by the Declarant need not be Owners or residents in the Community.

The total number of Lots planned by Declarant for the Community shall initially be the number of Lots shown on the Declarant's land use plan for the development as it may be amended from time to time. Inclusion of property on the land use plan shall not obligate the Declarant to subject such property to the Declaration, nor shall exclusion of property from the initial land use plan bar Declarant from subjecting such property to the Declaration. The final

total number of Lots planned for the Community shall be the actual number of Lots shown on the recorded subdivision plat(s) for the Community regardless of any different number of Lots shown from time to time on the land use plan.

3.3 Number of Directors.
