

HIGH WIND SHUTTERS

TEN YEARS LIMITED WARRANTY

High Wind Shutters warrants that the shutter systems we install and each component part will be free from defects in materials and workmanship. Furthermore, **High Wind Shutters** will replace or repair at its sole discretion any defect not cited in the "excluded clauses" outlined below in accordance with the Table 1.

In the event that a defect in the warranted product is not caused by an excluded cause, as herein defined, and so long as the warranty holder is not in default or under any obligation to **High Wind Shutters**, **High Wind Shutters** will warrant your shutters in accordance with Table 1 below beginning with the date of your installation completion. Charges to you will be in accordance with our then published price list. This warranty extends only to the original purchaser of the product and is not transferable.

YEAR ANNIVERSARY	MOTORS	PARTS	LABOR	TRAVEL
0-1	100%	100%	100%	100%
2-5	100%	100%	0	0
5-10	50%	50%	0	0

NOTE: Scaffolding and Special Equipment Charges will be covered by **High Wind Shutters** at the rate of 100% from the date of the original installation completion until the first anniversary of that installation completion. Thereafter in addition to labor, the hard costs for transport, set up and rental of any necessary high reach equipment which may include at the sole discretion of **High Wind Shutters**, ladders, ladder jacks, pipe scaffolding swing stage cherry picker and/or any additional special equipment necessary to access the shutter for proper repair and insure worker safety will be added to customer labor charges.

For the purpose of this limited warranty, the term "excluded clause" shall mean the following: Acts of natural disasters, fading of colors, settlement of the building, accidental or intentional damages, malfunctions or failure of the shutters that was caused by repairs or modifications by persons not authorized by **High Wind Shutters** or the use of parts and accessories not authorized by **High Wind Shutters**, mishandling, unreasonable use including the failure of the warranty holder to perform reasonable and necessary maintenance.

Notwithstanding any contrary provisions herein the following conditions shall not be deemed to be defects covered by this limited warranty. 1. Normal weathering of any painted surface. 2. Water seepage through the closed shutter system during strong wind and rain. 3. The failure of multiple shutters operated in tandem off a single control to align horizontally when raised or lowered. 4. Failure of punches in vented shutters to block all light. 5. Work performed by others and or the addition of parts not authorized by **High Wind Shutters** will void this warranty.

Except as set forth in this limited warranty **High Wind Shutters** makes no additional warranty. Any implied warranties of merchantability or otherwise applicable to the **High Wind Hurricane and Security Shutters** shall expire on the first anniversary of the date of installation. **High Wind Shutters** shall not be liable to any purchaser or other warranty holder for consequential or incidental damages arising out of any breach of any express or implied warranty on the **High Wind Shutter Hurricane and Security Shutter System**.
