THE DETAILS

BUILT CIRCA 1927

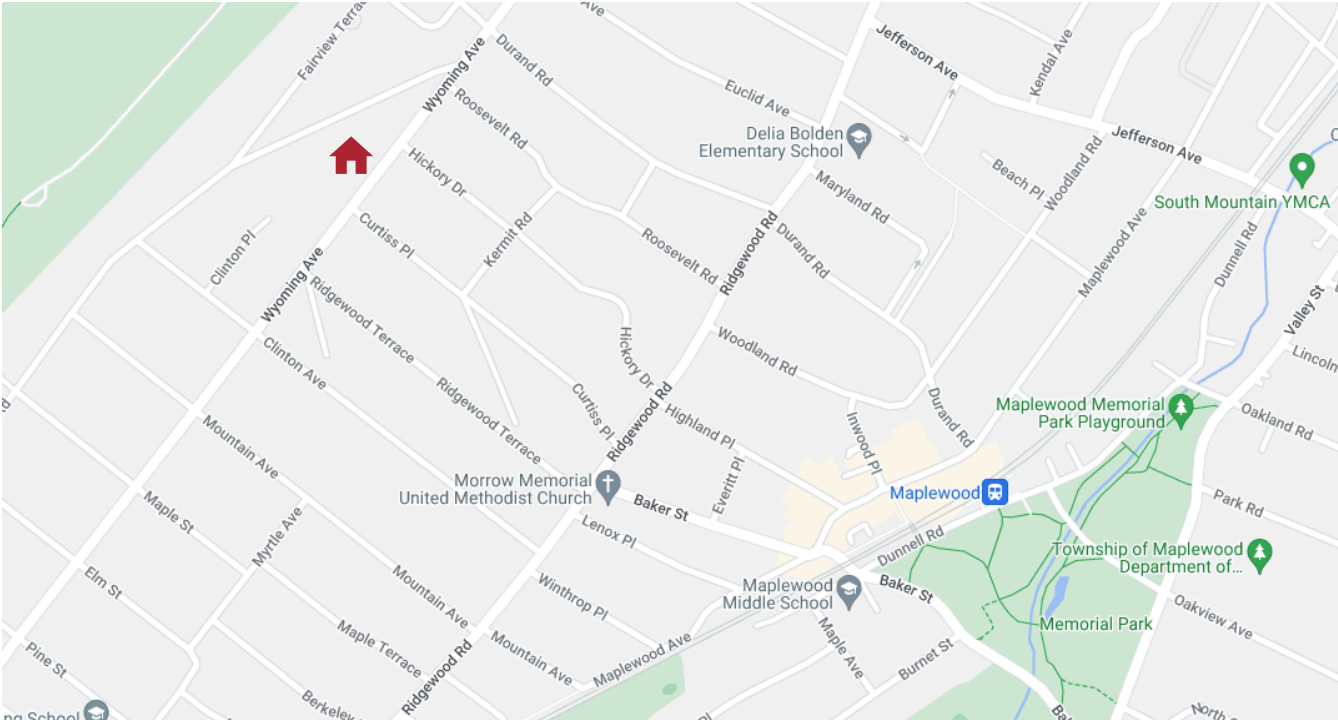

5 BEDROOMS / 4.1 BATHS / 0.36 ACRES

Exceptional all brick Georgian Colonial home set in the heart of Maplewood amidst tall trees and specimen plantings on over 1/3 acre. This gracious Maplewood dream home will delight from your 1st step into the welcoming foyer with 2 closets, turned staircase and wide openings to the spacious dining room and living room. The living room centers around a gas fireplace and features built-in bookcases, wide moldings and integrated ceiling speakers. 2 doorways allow access to the light-filled Family Room. The custom eat-in Kitchen boasts marble countertops, fine cabinetry, brass finish hardware, a Shaw ceramic sink and Wolf/SubZero appliances. An adjoining breakfast room, mudroom and powder room with heated flooring add convenience. Upstairs, find 4 large bedrooms on the 2nd floor, including the front to back primary bedroom with en-suite bath. The 3rd floor offers a spacious sitting room/office and 5th bedroom, with a nearby full bath with clawfoot soaking tub. The lower level offers ample room for recreation, exercise, storage and laundry. Outside, the landscape has been reimagined to feature a large bluestone patio, stacked stone walls, new turf, underground lawn sprinklers, native plantings and landscape lighting. 2 car garage with Tesla EV charger. Aquasana water filtration, ring/nest smart features, custom window shades, new boiler (25), new gutters (24), refinished floors, new interior lighting and so much more. Just 2 blocks to vibrant Maplewood Village & trains to NYC!

FLOOR PLAN

LIVING IN MAPLEWOOD

Maplewood is a quaint residential community boasting authentic Tudor, Colonial, and Victorian homes, tree-lined streets beautiful parks, and a bustling Village center with vibrant shops, eateries and conveniences.

Maplewood is served by NJ Transit railroad which provides service along the Morris and Essex Line to Newark Broad Street Station and either to New York Penn Station (some stopping at Secaucus Junction) or Hoboken Terminal.
