Introduction To The Covenants of Seis Lagos

The copy of the Covenants that you are reading is an electronic reproduction of the original document. The original document was scanned into a computer so that we could have an "on-line" version for quick reference and so that we could have an 8.5" x 11" version verses the original "legal" size document.

Every attempt has been made to make this document exactly the same as the original. All information is the same on a page by page basis. So, if someone references page 31 in the original document - your page 31 contains the same information.

There are two items that have not been included; the legal description of the properties (printed twice in the original), and a map of Seis Lagos showing Phase I layout with minimum square footage requirements per lot. The legal description describes the point by point definition of the location of Seis Lagos Phase I, II, and III. If you ever want to see this you can stop by the SLCSA office.

There are two added benefits of this version. One is the comprehensive index at the back of the document. This was made possible by the fact we can work with the original using word processing software. The second benefit is the fact that the pages can be scanned like a book - rather than like a legal document. Overall we feel that this is a good evolution of the document.

While every attempt has been made to insure that this document is exactly the same as the original - it is possible that some minor errors may exist. If there are any discrepancies the original document rules.

ROSEMARIE SWYKERT MY COMMISSION EXPIRES December 1, 1996

SEIS LAGOS - PHASE II DECLARATION OF RESERVATIONS, RESTRICTIONS, COVENANTS, CONDITIONS, EASEMENTS AND LIENS FOR SEIS LAGOS COMMUNITY SERVICES ASSOCIATION, INC.

This Declaration is made this date by Bozeman-Spencer Development Company, Inc., ("Developer) a Texas corporation, also referred to herein as "Declarant," as the owner of a certain parcel of land situated in Seis Lagos - Phase II, an Addition to Collin County, Texas, commonly known as Seis Lagos Phase II, being the same parcel platted into lots by a Final Plat recorded in Volume J, Pages 26-27 of the Collin County Map and Plat Records, Collin County, Texas (the "Property").

- 1. Seis Lagos Phase One is a subdivision described in a Final Plat recorded in Volume 9, Pages 24-26 of the Deed Records of Collin County, Texas, and corrected by a Certificate of Correction recorded in Volume 877, Page 576 of the Deed Records of Collin County Texas ("Seis Lagos Phase One"). Seis Lagos Phase One is subject to certain reservations, restrictions, covenants, easements and liens set forth in the instruments filed in: Volume 934, Page 153; Volume 1115, Page 190; Volume 1121, Page 560; Volume 1132, Page 203; and Volume 1177, Page 281, Deed Records of Collin County, Texas; and in Volume 1253, Page 484; and Volume 3093, Page 877, Land Records of Collin County, Texas, all of which are incorporated herein by this reference (the "Prior Covenants").
- 2. The Property was originally subject to the Prior Covenants by virtue of being a part of the Expansion Properties referred in the Covenants. The Prior Covenants were subordinate to the interest of a prior lienholder of the Property, whose subsequent foreclosure extinguished the Prior Covenants from the Property.
- 3. Declarant hereby adopts the Prior Covenants, to the extent that the Prior Covenants currently apply to Seis Lagos Phase One, as the restrictions, covenants, easements and liens of and applying to Seis Lagos Phase II, together with the terms of this Declaration (all collectively the "Covenants").
- 4. Declarant hereby subjects the Property to the Covenants and thereby causes the Property to be included as a part of and subject to management by the Seis Lagos Community Services Association, Inc. (the "Association"), subject to acceptance of Seis Lagos Phase II by the Association and subject to the condition that Association dues on any lot within the Property shall begin to accrue the month next following the expiration of twelve months from the date that such lot within Seis Lagos Phase II is sold by the Developer to any third party, rather than the six-month deferral provided generally in the Prior Covenants.

- 5. The Covenants, as applied to Seis Lagos Phase II, include the following additional reservations and restrictions on use:
 - a. Declarant, as Developer, reserves the right to impose Developer's Guidelines related to the original construction of a residential dwelling on a lot within Seis Lagos Phase II, which may be in addition to or more restrictive, but shall not be less restrictive, than the requirements imposed by the Covenants and Architectural Control Committee of the Association. Developer's Guidelines may include requirements related to landscaping, such as the requirement that mature trees (at least ten inches in diameter) be included in the front yard. Developer's Guidelines may include requirements related to uniformity of exterior structures, such as mailboxes.
 - b. Improvements to be constructed upon the lots within Seis Lagos Phase II shall be subject to minimum square footage requirements as set forth on Exhibit "A" hereto, which requirement is more stringent than the requirement set forth in the prior covenants.
 - c. All new construction shall include a driveway sleeve that satisfies TU Electric specifications. Typically this requirement will be satisfied by a 4-inch PVC conduit installed beneath the driveway at a depth not less than 36 inches. The conduit shall be Schedule 40 PVC Electrical Grade (gray). A 1/8 inch nylon pulling cord shall be left in the conduit. The conduit shall be plugged at both ends, and the ends must extend at least 4 inches beyond each side of the driveway. The conduit shall be placed at least 5 feet inward from the property line, which would also be 30 feet inward from the center line of the road.
- 6. The Covenants shall be construed reasonably in being applied to Seis Lagos Phase II so as to reflect the following rules of construction, in the priority here indicated:
 - a. First, to the extent possible, Seis Lagos Phase II lots and Seis Lagos Phase One lots shall be treated in the same manner and subject to the same restrictions, covenants, easements and liens. Any portion of the Covenants no longer applicable to Seis Lagos Phase One shall not be applicable to Seis Lagos Phase II.
 - b. Second, if necessary to reasonably construe any part of the Covenants, the fact that Seis Lagos Phase II was brought under the Covenants at a later date may be considered.
- 7. By indicating acceptance hereon, the Association accepts the Property constituting Seis Lagos Phase II as a part of the Association and agrees to the beginning date for dues on individual lots as set forth above. The undersigned officer of the Association certifies that the Board of Directors of the Association has taken all action necessary to approve this action.

Past due Annual Assessments and Special Assessments shall bear interest from the date they are due at the highest legal rate which may be charged the Owner under applicable law. The Annual Assessments and Special Assessments, together with interest, costs and reasonable attorney's fees incurred in collecting any such assessment shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. The obligation to pay such assessments being part of the purchase price of each

Each such assessment, together with interest, costs and reasonable attorney's fees incurred in collecting any such assessment shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due, and no transfer of the property by such owner shall relieve such owner of said personal obligation. The personal obligation for delinquent assessments shall not pass to any Owner's successor in title unless expressly assumed by him, but, nevertheless the lien as to such assessments shall continue to be a lien upon the Lot as above provided. Each Owner agrees upon request of the Association to execute and deliver to the Association in recordable form, a deed of trust covering the Lot owned by him to secure such assessment lien, subject only to a prior recorded, valid first-lien deed of trust and/or vendor's lien. - (a) The Maximum Permitted Annual Assessment (but not necessarily the actual Annual Assessment) shall be increased each calendar year, effective January 1 of such year commencing January 1, 1979, by an amount equal to ten percent (10%) of the previous year's Maximum Permitted Annual Assessment.

- (b) Within fifteen (15) days prior to the beginning of each calendar year and after consideration of current maintenance and replacement costs and a reasonable reserve for contingencies of the Association, the Board of Directors shall estimate and fix the actual Annual Assessment at an amount not in excess of the Maximum Permitted Annual Assessment as determined hereinabove. The Association shall then notify each Owner of the amount of the actual Annual Assessment which shall be due and payable in equal monthly installments on or before the first day of each calendar month beginning January 1 of such calendar year. In the event the amount of the actual Annual Assessment proves to be inadequate at any time during the course of a calendar year, the Board of Directors of the Association may increase the amount of the actual Annual Assessment up to the Maximum Permitted Annual Assessment for such year. Correspondingly, if the amount of the actual Annual Assessment is creating a surplus in excess of that necessary as a reserve for contingencies, the Board of Directors of the Association may decrease the actual Annual Assessment. In either such event, the Association shall notify each Owner of the amount of the new actual Annual Assessment and each Owner shall be obligated to pay monthly installments for the remainder of the calendar year in which such increase or decrease in the actual Annual Assessment was made, in an amount adjusted to reflect the new rate of the actual Annual Assessment so established by the Board of Directors.
- (c) If at any time the Board of Directors of the Association feels that the Maximum Permitted Annual Assessment is inadequate to fulfill the functions of the Association, it shall duly call a meeting of the Association for the purpose of increasing the Maximum Permitted Annual Assessment. At such meeting, the Maximum Permitted Annual

Assessment may be increased by vote of a majority of the Memberships of each Class in attendance. Such increase shall continue until a majority of the Memberships of each Class at a meeting duly called for that purpose, shall decide otherwise, or until the Maximum Permitted Annual Assessment figure set by the computation described above shall be higher, in which case the latter shall be the Maximum Permitted Annual Assessment figure.

(d) The failure of the Association to fix the actual Annual Assessments as provided herein for any year shall not be deemed a waiver or a release of any owner from the obligation to pay the actual Annual Assessment. The actual Annual Assessment fixed for the preceding calendar year shall continue until a new actual Annual Assessment is fixed, and when a new Actual Annual Assessment is fixed, each owner shall be obligated to pay monthly installments for the remainder of the calendar year for which the new actual Annual Assessment was fixed in an amount adjusted to reflect the rate of the new Actual Annual Assessment so established by the Association.

Section 4. Special Assessments. In addition to the Annual Assessments, the Association may levy in any year Special Assessments for the following purposes:

(a) Defraying the amount of any deficit created by an excess of expenditures of the Association over receipts for the previous year; provided the maximum amount of any Special Assessment for this purpose may not exceed twenty-five percent (25%) of the Annual Assessment for the current year, and provided further that any such assessment shall require the consent of at least a majority of the memberships of Class A and Class B pursuant to votes cast at a meeting, duly called for this purpose.

- (b) Paying for repairs and restoration and replacement and remedying violations pursuant to Section 4 of Article VI, Section 4 of Article VIII, and Section 4 of Article IX.
- (c) Defraying, in whole or part, the cost of any construction or reconstruction or unexpected repair or replacement of a Capital Improvement upon the Common Area; provided that any such assessment shall require the consent of at least a majority of the memberships of Class A and Class B pursuant to votes cast at a meeting, duly called for this purpose.

Special Assessments shall be due and payable as determined by the Association.

Section 5. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Date of Commencement of Annual Assessments:

A reasonable charge may be made by the Association for the issuance of these certificates. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

If the Association has not received full payment of all such delinquent

Assessments and any interest charges attributable thereto within fifteen (15) days from the mailing of such Notice of Default, the Association may promptly cause said Notice of Assessment to be recorded as provided above. Within thirty (30) days after the recordation of said Notice of Assessment, the Association may cause the Lot of the defaulting Owner to be sold. Any such sale shall be held as promptly as possible by foreclosing the lien herein provided in the manner provided by the law of the State of Texas for the foreclosure of deeds of trust or in any other manner permitted by law. Association shall have the power to bid in the Lot of the defaulting Owner at such foreclosure sale and thereafter to hold, lease, mortgage and convey the same. Upon payment (prior to such a foreclosure) of any delinquent Assessment, together with interest and costs (including attorney's fees), with respect to which a Notice of Assessment has been recorded, the Association shall promptly cause to be recorded, at the expense of the defaulting Owner, a further notice stating the satisfaction and the release of the lien thereof. payment thereof. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 9. Payment by Declarant of Assessments.

Except under the circumstances and to the limited extent specified in Section 3 of Article III, no assessment shall be payable by Declarant under the terms hereof due to its ownership of a Lot or Lots unless Declarant is leasing such Lot and the improvements thereon to a tenant or tenants for residential purposes.

SEIS LAGOS - PHASE II DECLARATION OF RESERVATIONS, RESTRICTIONS, COVENANTS, CONDITIONS, EASEMENTS AND LIENS FOR SEIS LAGOS COMMUNITY SERVICES ASSOCIATION, INC.

This Declaration is made this date by Bozeman-Spencer Development Company, Inc., ("Developer) a Texas corporation, also referred to herein as "Declarant," as the owner of a certain parcel of land situated in Seis Lagos - Phase II, an Addition to Collin County, Texas, commonly known as Seis Lagos Phase II, being the same parcel platted into lots by a Final Plat recorded in Volume J, Pages 26-27 of the Collin County Map and Plat Records, Collin County, Texas (the "Property").

- 1. Seis Lagos Phase One is a subdivision described in a Final Plat recorded in Volume 9, Pages 24-26 of the Deed Records of Collin County, Texas, and corrected by a Certificate of Correction recorded in Volume 877, Page 576 of the Deed Records of Collin County Texas ("Seis Lagos Phase One"). Seis Lagos Phase One is subject to certain reservations, restrictions, covenants, easements and liens set forth in the instruments filed in: Volume 934, Page 153; Volume 1115, Page 190; Volume 1121, Page 560; Volume 1132, Page 203; and Volume 1177, Page 281, Deed Records of Collin County, Texas; and in Volume 1253, Page 484; and Volume 3093, Page 877, Land Records of Collin County, Texas, all of which are incorporated herein by this reference (the "Prior Covenants").
- 2. The Property was originally subject to the Prior Covenants by virtue of being a part of the Expansion Properties referred in the Covenants. The Prior Covenants were subordinate to the interest of a prior lienholder of the Property, whose subsequent foreclosure extinguished the Prior Covenants from the Property.
- 3. Declarant hereby adopts the Prior Covenants, to the extent that the Prior Covenants currently apply to Seis Lagos Phase One, as the restrictions, covenants, easements and liens of and applying to Seis Lagos Phase II, together with the terms of this Declaration (all collectively the "Covenants").
- 4. Declarant hereby subjects the Property to the Covenants and thereby causes the Property to be included as a part of and subject to management by the Seis Lagos Community Services Association, Inc. (the "Association"), subject to acceptance of Seis Lagos Phase II by the Association and subject to the condition that Association dues on any lot within the Property shall begin to accrue the month next following the expiration of twelve months from the date that such lot within Seis Lagos Phase II is sold by the Developer to any third party, rather than the six-month deferral provided generally in the Prior Covenants.

- 5. The Covenants, as applied to Seis Lagos Phase II, include the following additional reservations and restrictions on use:
 - a. Declarant, as Developer, reserves the right to impose Developer's Guidelines related to the original construction of a residential dwelling on a lot within Seis Lagos Phase II, which may be in addition to or more restrictive, but shall not be less restrictive, than the requirements imposed by the Covenants and Architectural Control Committee of the Association. Developer's Guidelines may include requirements related to landscaping, such as the requirement that mature trees (at least ten inches in diameter) be included in the front yard. Developer's Guidelines may include requirements related to uniformity of exterior structures, such as mailboxes.
 - b. Improvements to be constructed upon the lots within Seis Lagos Phase II shall be subject to minimum square footage requirements as set forth on Exhibit "A" hereto, which requirement is more stringent than the requirement set forth in the prior covenants.
 - c. All new construction shall include a driveway sleeve that satisfies TU Electric specifications. Typically this requirement will be satisfied by a 4-inch PVC conduit installed beneath the driveway at a depth not less than 36 inches. The conduit shall be Schedule 40 PVC Electrical Grade (gray). A 1/8 inch nylon pulling cord shall be left in the conduit. The conduit shall be plugged at both ends, and the ends must extend at least 4 inches beyond each side of the driveway. The conduit shall be placed at least 5 feet inward from the property line, which would also be 30 feet inward from the center line of the road.
- 6. The Covenants shall be construed reasonably in being applied to Seis Lagos Phase II so as to reflect the following rules of construction, in the priority here indicated:
 - a. First, to the extent possible, Seis Lagos Phase II lots and Seis Lagos Phase One lots shall be treated in the same manner and subject to the same restrictions, covenants, easements and liens. Any portion of the Covenants no longer applicable to Seis Lagos Phase One shall not be applicable to Seis Lagos Phase II.
 - b. Second, if necessary to reasonably construe any part of the Covenants, the fact that Seis Lagos Phase II was brought under the Covenants at a later date may be considered.
- 7. By indicating acceptance hereon, the Association accepts the Property constituting Seis Lagos Phase II as a part of the Association and agrees to the beginning date for dues on individual lots as set forth above. The undersigned officer of the Association certifies that the Board of Directors of the Association has taken all action necessary to approve this action.

All Seis Lagos residents with wood fences:

The Board has meet on this issue and have determined wood fences are no longer to be a part of what we (the community) want for Seis Lagos. Those that are up and in good condition are hereby grandfathered until such time they fall in to disrepair. At that time they will be required to be replaced with wrought Iron or nothing. (If you have a pool you must have a fence therefore you must put up an iron fence).

If it comes in disrepair and the owner at the time does not repair and or keep it up the Assoc. has the right to remove it and it will not be allowed to be rebuilt. The cost to remove it will be past on to you. You may not remove and replace your currant fence with wood.

You and future owners of this property will follow these guidelines.

Thank you

The Board of Directors of the Seis Lagos Community Services, Inc
