MEMORANDUM

TO: Richard Wilson
RECEIPT NO.: 88999

FROM: Melanie Wood
DATE: June 29, 1988

The subject application for a permit to construct a well is being returned for additional information concerning the parcel of land on which the proposed well would be located.

In order to properly evaluate the application, this office must have evidence indicating when the subdivision, or this particular parcel of land was created.

Please provide one of the following:

- 1) If the subdivision or particular parcel was in existence prior to June 1, 1972, please provide a copy of a deed, subdivision plat, or other document to verify that fact.
- 2) If the division of land which created your particular parcel occurred on or after June 1, 1972 and was exempted from the county subdivision regulations, please provide all of the following:
 - a) A copy of the county commissioners resolution.
 - b) A copy of a survey plat showing the original tract and all exempted tracts. *AVG MENTATION*
 - c) A copy of any comment from the State Engineer's Office pertaining to the proposed water supply plan.
 - d) Information concerning the existence of any wells and their uses on the original tract and the exempted tracts.
 - e) Copies of the documents showing when the original tract was created (this is required only if the original tract was less than 35 acres in size, or if it was involved in a previous exemption).
 - f) Copies of any other agreements concerning this tract that were executed with the county.
- 3) If the subdivision or particular parcel was created after June 1, 1972 by action other than a resolution of the county commissioners, please provide copies of documents to show how it was created.

If other corrections or additional information is required for evaluation of the application, an additional memorandum may be enclosed. Please review the enclosures carefully before returning the application. If you have any questions concerning this matter, please feel free to contact this office.
